

During the COVID-19 pandemic there have been many questions about what sexual and reproductive health (SRH) services are still available, and how to access these services. The NYC Department of Health and Mental Hygiene developed this document to provide this information for all New Yorkers. Please scroll through the document for services provided and be sure to read the notes for a particular health care facility. **As things may change, please call each facility before you visit.** Information provided is based upon responses from clinics listed. This list may not include every open clinic in NYC and/or what they comprehensively offer in regards to more particular SRH practices. To reduce the spread of COVID-19, please wear a face covering when in public settings.

KEY				
Services Everyone	Teen Focused Services	Women Focused Services	Men Focused Services	LGBTQ+ Focused Services
	▲ Abortion Services		⚡ LGBTQ+ Welcoming	

*\* If you are having difficulty reaching a NYC Health + Hospitals facility for services, please call their 24 hour contact line. The contact line may be able to help you schedule an appointment at a nearby clinic. Please call: (844) NYC - 4NYC or (844) 692 - 4692. This contact line is available 24 hours a day, 7 days a week.*
