	37°F														
	36°F														

**Danger! Temperatures below 36°F are too cold! Write Min & Max Temperatures above and notify the NYC VFC program of any unacceptable temperatures immediately!**

## Take Action!

If temperature is unacceptable (below 36°F or above 46°F):

1. Put a "Do Not Use Vaccine" sign on the refrigerator.
2. Alert your supervisor immediately.
3. Contact your VFC Representative.
4. Record the actions you take.

If you have any problems with your refrigerator and/or VFC vaccine, please notify the NYC VFC program at 347-396-2404

## Record actions taken for unacceptable temperatures.
