1. NYC.ID Account Creation

To access eOrder, all non-City of New York employees must create an NYC.ID account. To do so, users can visit the NYC.ID login website URL at https://a816-phleorder.nyc.gov/PHLeOrder/. The user should follow the steps outlined on the website to create their NYC.ID account.

Please note: Employees of New York City Health and Hospital Corporation (HHC) do not need to create a NYC.ID. If you are an HHC employee, please login on the right side of the screen and click “NYC Employees”.

b) If an order is saved as a draft, it can be stored and edited indefinitely until the user decides to submit the order, after which it can be edited subject to the criteria stated above.
