DO NOT USE KOHL, KAJAL, AND SURMA.

Certain kohl, kajal, and surma products contain high levels of lead. Lead is a poison and is dangerous to your health. See your doctor if you use any of these products.

Call 311 or 212-POISONS (212-764-7667) for more information.

Interpretation is available.

The New York City Health Code prohibits the sale of cosmetic products containing excessive amounts of lead.

Prepare your family with this valuable information. Visit poisons.org for more information.
