

Shoot for Lead Safety

Lead is dangerous and can cause:

Take these steps to protect yourself and your family from lead:

- Do not eat, drink or smoke** inside the shooting range.
- Wash hands with soap and water** after handling firearms, ammunition or casings, clothes and shoes worn at the range, and before eating, drinking or smoking. Use lead-specific soap whenever possible.
- Use non-lead bullets and primer** whenever possible.
- Wear gloves** to pick up spent casings. Never sweep up spent casings.
- Change out of range clothes and shoes** before going home or getting in your car.
- Wash range clothes separately** from other household clothing. Wipe shoes clean using wet wipes.
- Get regular blood lead tests** for yourself and your family.
