NYC Early Childhood Mental Health Network

New expert mental health services and supports for young children and their families

NYC Early Childhood Mental Health Clinics offer:

- Mental health treatment for children ages 0 to 5, and their families.
- Expert clinical staff using evidence-based and trauma-focused therapies.
- Short wait times for appointments.
- Services in languages other than English, including Spanish.

* All clinics accept Medicaid and other insurance and work with families to ensure access.

Help families take the first step to get the support they need.
