\* Notes.

1. Question 52: In which one position do you most often lay your baby down to sleep now?

Answers:

On his or her side

On his or her back

On his or her stomach

2. Totals for each category may not equal overall total due to missing data or rounding.

3. Data are weighted and are based on responses of 1,436 NYC women giving birth in 2010.

\*\* estimates based on <60 respondents and may not be reliable.
