\* Notes.

1. Question 65: Does your new baby usually sleep in the same bed with you or another adult or child?

Answers:

No

Yes

2. Totals for each category may not equal overall total due to missing data or rounding.

3. Data are weighted and are based on responses of 1,394 NYC women giving birth in 2009.

\*\* estimate based on <60 respondents and may not be reliable.
