

Sexual and Reproductive Justice Community Engagement Group (CEG)

Member Organizations

The NYC Health Department recognizes the contributions of and thanks the organizations that are part of the CEG for their time, effort and commitment.

The CEG is a group of community leaders, activists and nonprofit organizations convened by the NYC Health Department in July 2015, which works to promote Sexual and Reproductive Justice in New York City. The CEG meets monthly to plan and implement activities so that all New Yorkers can safely express their sexuality and gender identity with dignity, possessing the knowledge, skills and resources to support healthy and fulfilling lives.
