As a member of Healthy NYC, you are invited to take the COVID-19 Community Recovery Survey, which tells us about your health, your experiences with COVID-19 and how your community can recover from COVID-19.

There are two ways — online or by phone — to participate during the month of October.

Go online to take the survey anytime!

- a. Go to HealthyNYCsurvey.com/CRS, or
- b. Text CRS to 844-464-0032 to receive a link to the survey on a smartphone,* or
- c. Scan the QR code at the bottom of the page with a smartphone

If it is difficult for you to take the survey online, call us.

Call 888-692-0023 to take the survey over the phone weekdays during October, from 1 to 5 p.m.

To access the survey, enter the unique participant ID provided.

Don't miss out on the **\$10 gift card**[†] that is sent to everyone who completes the survey!

Thank you.
