

**NEW YORK CITY DEPARTMENT OF
HEALTH AND MENTAL HYGIENE**

Dave A. Chokshi, MD, MSc
Commissioner

Dear Healthy NYC Participant,

You are receiving this invitation because you are a member of Healthy NYC, a health study by the New York City Health Department. As a part of this study, you are invited to take the February COVID-19 survey. By completing this survey, you can help us understand how many New Yorkers might have had COVID-19, and why some people may be more likely to have had it. We want to hear your voice!

The February COVID-19 survey takes about five minutes. You can complete the survey by following any of these steps:

- a. Use the link in your email, or
- b. If you received a mailed invitation, it has a **unique participant ID**, which you can enter by:
 - Going to HealthyNYCsurvey.com/Feb, or
 - Scanning the QR code below with a smartphone camera or a QR code scanning app, or
 - Text FEBSURVEY to 844-464-0032 to receive a link to the survey on a smartphone, * or
- c. If you are unable to take the survey online, a paper survey will automatically be mailed to you later this month.

As a thank you for taking the survey, you will receive a **\$5 gift card**.

We will be sharing surveys throughout the year, and you may be invited to take the same survey more than once. If you decide you do not want to be a part of Healthy NYC anymore, you may withdraw at any time by contacting HealthyNYC@health.nyc.gov or 888-692-0023.

For more information, please visit nyc.gov/health/nycsurveys. Your participation is greatly appreciated and will help make New York City healthier.

Sincerely,

Dave A. Chokshi, MD, MSc
Commissioner
New York City Department of Health and Mental Hygiene
