

Community Health Fair

12 to 4 p.m. Saturday, March 25

Sunset Park Recreation Center

Visit the community health fair for **FREE** and **CONFIDENTIAL** Tuberculosis (TB) testing!
TB is preventable AND curable.

Other **FREE** services include:

- Rapid HIV testing
- Blood pressure screenings
- Health insurance enrollment
- Zumba and Pilates
- Consultations with a dentist and podiatrist (doctor specializing in foot and ankle health)
- Giveaways

Everyone is welcome!

The community health fair is a joint effort between the Office of Assistant Speaker Felix W. Ortiz and the New York City Health Department
