Data for years 1962 to 1966 as of December 31.

(+) No stated bed complement for New York City patients.  
 (#) Exclusive of City patients in hospitals not shown here.  
 (\*) State Hospital patients not included in totals

(a) TB unit

(b) TB Service

(c) Service discontinued as of March 15, 1966.

(d) In July 1961, Sea View was discontinued as a TB hospital. Farm Colony and Sea View were merged and the combined institution became known as the Sea View Hospital and Home, with a bed capacity of 1,032. This number included 26 beds set aside for Staten Island residents who may become ill with TB.
