

New Deadline to Exchange NYC Death Certificates Issued By Medical Examiner

Effective Wednesday, December 1, individuals and funeral directors will only be able to exchange NYC death certificates issued by the Office of Chief Medical Examiner within the last three months. This is similar to the policy that already exists for all other NYC death certificates. When making a correction or ordering a new death certificate with the update cause of death, customers may submit the previously issued certificate in lieu of the usual \$15 payment if the original certificate was issued within the last three months.

If you have any questions about this policy, please contact the Burial Desk at (212) 788-4545.
