

# HOW DO I REPORT NEWBORN HEARING SCREENING AND BLOODSPOT SCREENING IN EVERS?

Locate case in EVERS → Life Events → Birth → Locate Case.

Click on **Hearing Screening**, and then **New Screening**.

The screenshot displays the EVERS system interface for The City of New York Department of Health and Mental Hygiene. The top navigation bar includes 'Main', 'Life Events', 'Queues', and 'Help'. The main header shows the user's name 'William Kirk Belford' and the date 'JAN-29-2013'. The left sidebar contains a 'Birth Registration Menu' with categories like 'Parent Information', 'Facility Information', and 'Other Registries'. The 'Hearing Screening' option under 'Other Registries' is highlighted with a red box. The main content area shows the case details for '743149' and a 'Hearing Screenings' section with a 'New Screening' button. A green callout box points to the 'New Screening' button with the text 'Click here to enter a New Screening'.
