

West Nile Virus activity* detected recently in the following

Bronx zip codes: 10455, 10461, 10464, 10465, 10466, 10471

Neighborhoods: Co-op City, Eastchester, Morris Park, North Riverdale, Pelham Bay, Port Morris, Spencer Estates, Throgs Neck

Now is the time for New Yorkers – especially people over 50 or with weakened immune systems – to take **personal precautions to prevent mosquito bites:**

- **Use repellents that contain DEET, Oil of Lemon Eucalyptus, IR3535, or Picaridin and ALWAYS follow label instructions.**
 - **If outside from dusk to dawn, wear protective clothing if possible, such as loose-fitting pants, long-sleeved shirts, and socks.**
 - **Make sure that your doors and windows have tight-fitting screens.**
Fix or replace screens that have tears or holes.
-

Reduce mosquito exposure around your home:

- **Eliminate any standing water that collects on your property.**
- **Remind or help neighbors to eliminate standing water on their properties.**
- **Call 311 to report standing water.**

For more information about West Nile virus, call 311, or go to www.nyc.gov/health.
