

**West Nile Virus activity* detected recently in the following
Staten Island zip codes: 10301, 10302, 10303, 10305, 10308, 10309, 10312, 10314**

Neighborhoods: Annadale, Arden Heights, Bay Terrace, Bulls Head, Castleton Corners, Elm Park, Eltingville, Graniteville, Old Town, Prince's Bay, Randall Manor, Rossville, Silver Lake, Westerleigh, Willowbrook

Now is the time for New Yorkers – especially people over 50 or with weakened immune systems – to take **personal precautions to prevent mosquito bites:**

- **Use repellents that contain DEET, Oil of Lemon Eucalyptus, IR3535, or Picaridin and ALWAYS follow label instructions.**
 - **If outside from dusk to dawn, wear protective clothing** if possible, such as loose-fitting pants, long-sleeved shirts, and socks.
 - **Make sure that your doors and windows have tight-fitting screens.**
Fix or replace screens that have tears or holes.
-

Reduce mosquito exposure around your home:

- Eliminate any standing water that collects on your property.
- Remind or help neighbors to eliminate standing water on their properties.
- Call **311** to report standing water.
