Recent West Nile Virus Activity* in Mosquito Populations of New York City, by Zip Code, July 14 to August 1, 2019

Legend

West Nile virus detected

Source: West Nile virus surveillance data, Department of Health and Mental Hygiene, New York City

* The lack of detection of West Nile virus in a zip code does NOT mean that West Nile virus is not present. All New Yorkers should take precautions to avoid mosquito bites during peak mosquito season, June through October.
