

**Recent West Nile Virus Activity* in
Mosquito Populations of New York City,
by Zip Code, September 29 to October 17, 2019**

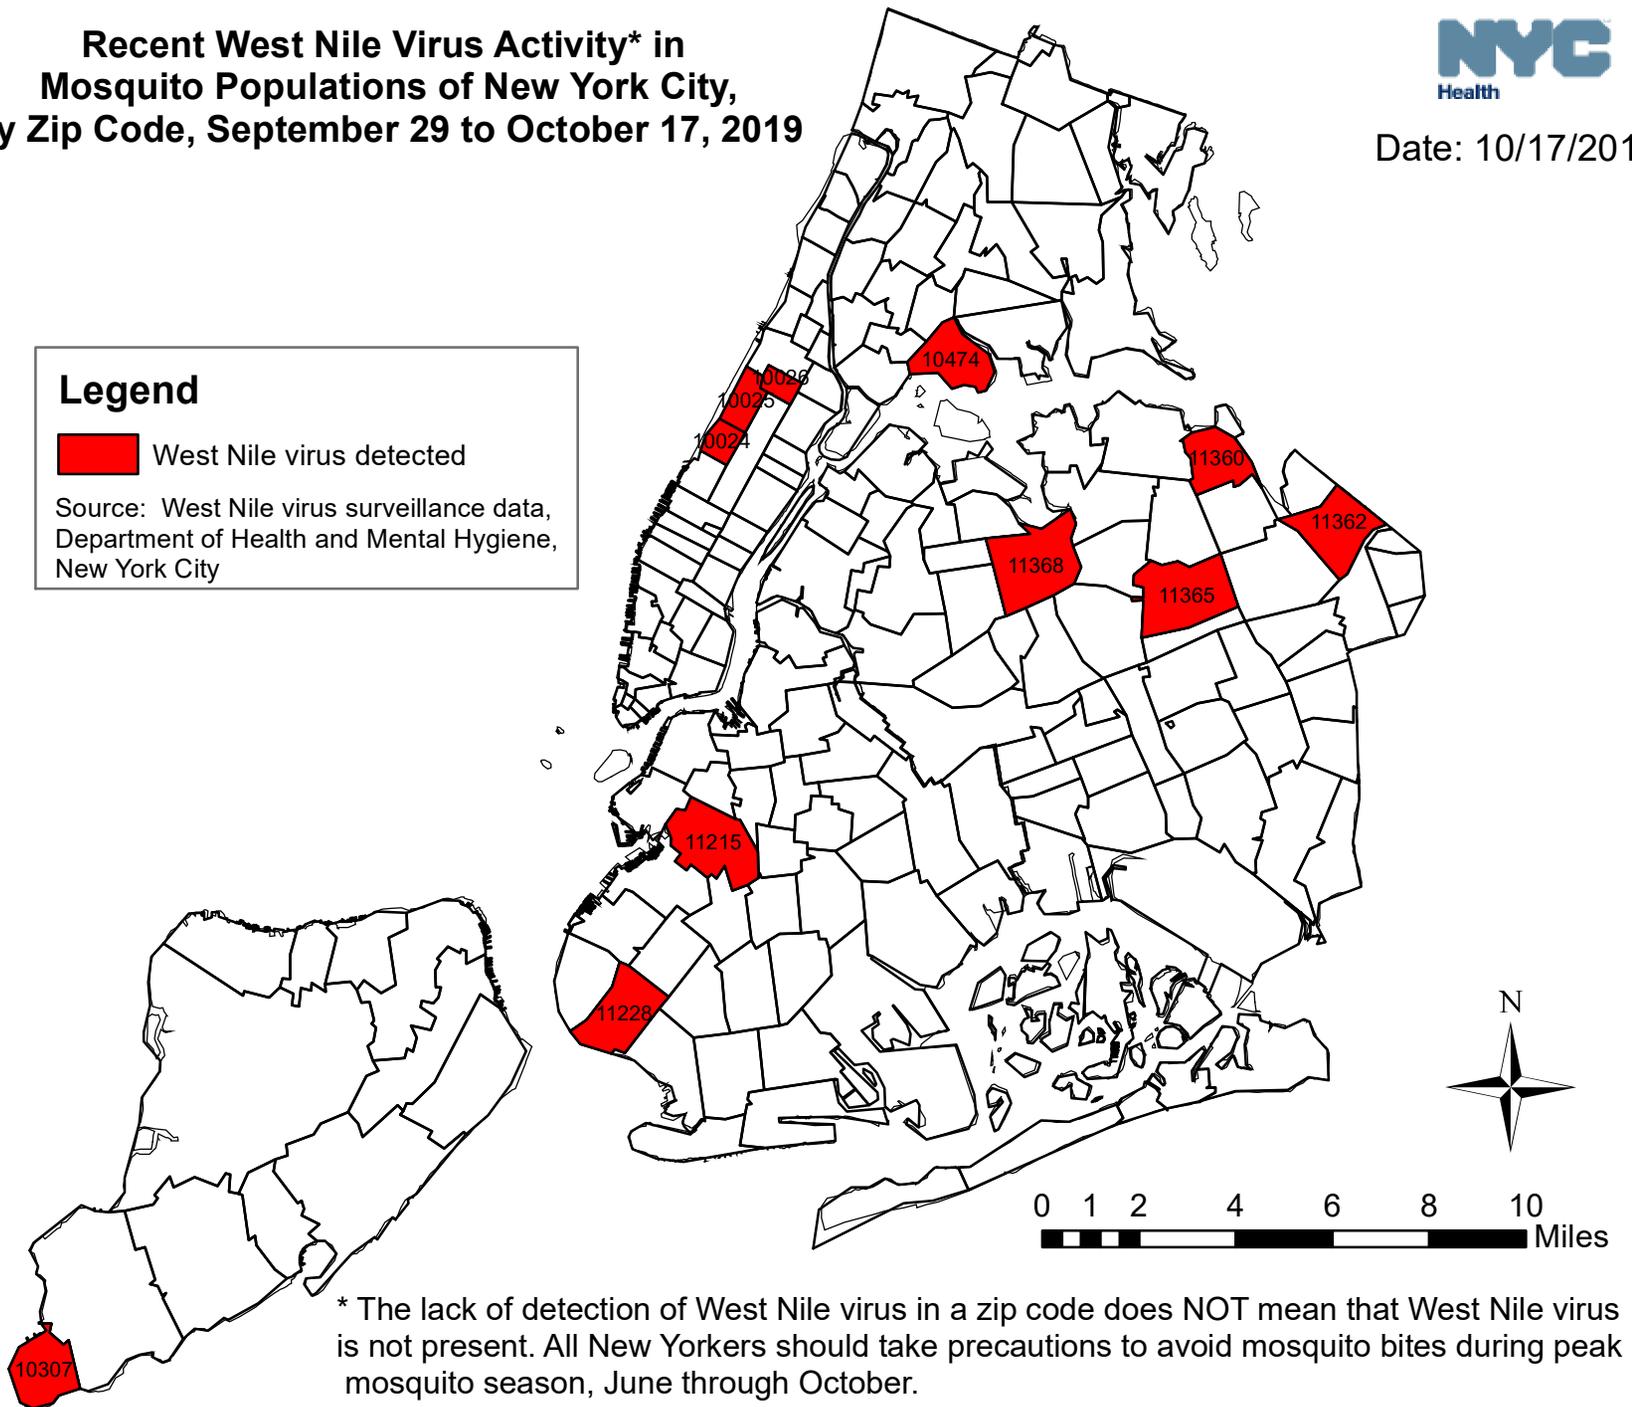

Date: 10/17/2019

Legend

 West Nile virus detected

Source: West Nile virus surveillance data,
Department of Health and Mental Hygiene,
New York City

* The lack of detection of West Nile virus in a zip code does NOT mean that West Nile virus is not present. All New Yorkers should take precautions to avoid mosquito bites during peak mosquito season, June through October.
