

**West Nile Virus activity* detected recently in the following
Brooklyn zip codes: 11214, 11224, 11230, 11232, 11233, 11234**

**Neighborhoods: Coney Island, Georgetown, Gravesend, Greenwood Heights, Marine Park, Midwood, Mill Island,
Sea Gate, Stuyvesant Heights**

Now is the time for New Yorkers – especially people over 50 – to take
personal precautions to prevent mosquito bites:

- **Use repellents that contain DEET, Oil of Lemon Eucalyptus, IR3535, or Picaridin and ALWAYS follow label instructions.**
 - **If outside from dusk to dawn, wear protective clothing** if possible, such as loose-fitting pants, long-sleeved shirts, and socks.
 - **Make sure that your doors and windows have tight-fitting screens.**
Fix or replace screens that have tears or holes.
-

Reduce mosquito exposure around your home:

- **Eliminate any standing water that collects on your property.**
- **Remind or help neighbors to eliminate standing water on their properties.**
- **Call 311 to report standing water.**

For more information about West Nile virus, call 311, or go to www.nyc.gov/health.
