

## West Nile Virus activity\* detected recently in the following Bronx zip code: 10465

## **Neighborhoods: Schuylerville and Throgs Neck**

Now is the time for New Yorkers – especially people over 50 – to take **personal precautions to prevent mosquito bites:** 

- Use repellents that contain DEET, Oil of Lemon Eucalyptus, IR3535, or Picaridin and ALWAYS follow label instructions.
- If outside from dusk to dawn, **wear protective clothing** if possible, such as loose-fitting pants, long-sleeved shirts, and socks.
- Make sure that your doors and windows have tight-fitting screens. Fix or replace screens that have tears or holes.

## Reduce mosquito exposure around your home:

- Eliminate any standing water that collects on your property.
- Remind or help neighbors to eliminate standing water on their properties.
- Call **311** to report standing water.

For more information about West Nile virus, call 311, or go to <a href="www.nyc.gov/health">www.nyc.gov/health</a>.
