Job Description

(New York City Residency required within 90 days of appointment)

The Mayor's Office of Media and Entertainment is comprised of two divisions: the Office of Film, Theatre, and Broadcasting, and NYC Media. The Office of Film, Theatre and Broadcasting serves as a one-stop shop for the entertainment industry and promotes New York City as a thriving center of creativity, issuing permits for productions filming on public property, and facilitating production throughout the five boroughs. NYC Media is the City's official broadcast network and media production group, with programming that informs, educates, and entertains New Yorkers about the City's diverse people, neighborhoods, services, attractions, and activities.

The successful candidate will serve as a Broadcast Camera and Lighting Operator, reporting to the Supervisor of the Electronic Field Production Department. Responsibilities will include: Operation of video cameras, lighting, and audio equipment on projects as assigned; provide technical set up of field and studio production events; provide technical input for the visual design of productions; oversee cable and integration of new production and broadcast systems; design and document production and technical workflows; oversee the assembly, check-in and check-out of field production equipment; and handle special projects and initiatives as assigned.

Minimum Qualification Requirements

Qualification Requirements

Six months of full-time satisfactory experience as a radio operator, broadcast technician, repairperson or mechanic in the field of radio, television or two-way communications or broadcast trainee in a broadcasting station or performing closely related work.

License Requirement

A Motor Vehicle license valid in the State of New York may be required for some assignments. This license must be maintained for the duration of the assignment.

Special Note:

To be assigned to Assignment Level III the candidate must have, in addition to the requirements listed above, three years of satisfactory full-time experience as a broadcast technician (radio and/or television) which may include experience as a broadcast trainee in a broadcasting station.

Preferred Skills

The successful candidate should possess the following: A bachelor's degree and 5+ years' experience in the broadcast production and post production environment as a television camera operator with expertise in lighting equipment; ability to clearly communicate to engineers, photographers, and producers and work in a team environment; knowledge of Microsoft Office Suite software, particularly Word, Excel and Visio; work knowledge of HD video switchers, Blackmagic VideoHub routers, Live-U Portable Uplink, and teleprompters; strong familiarity with Sony EX1, EX3, PDW-335, PDW 700 HD, robotic video cameras as well as Canon 5D Mark III and Canon C100 HD Cinema cameras; ability to lift up to 50 lbs.
