Project is located: in NEW YORK COUNTY

Project Description:

The Department is accepting public comment on an application to renew a state air facility permit. for the continued construction and operation of the NYC Department of Sanitation (DSNY) East 91st Street Converted Marine Transfer Station (MTS) located on the upper east side of Manhattan, along the East River.

The Air State Facility (6 NYCRR Part 201) is subject to the provisions of State Facility requirements specified under 6 NYCRR 201-7. The facility has potential emissions from exempt combustion sources and trivial activities. This State Facility Permit caps Oxides of Nitrogen emissions to less than 22.5 tons per 12 month rolling period. Records demonstrating compliance with this cap will be kept in accordance with the permit conditions. The draft Air State Facility permit contains a listing of the applicable federal and state compliance monitoring requirements for the facility.

The renewal application, draft permit, relevant supporting materials and regulations are available for review during normal business hours at the DEC office provided in this notice. Comments of support or objection may be made by filing a written statement by the deadline date indicated.

The site is located within Manhattan tax block 1587, lot 27 and part of lot 1, East River, FDR Drive, and 91st Street.

Availability of Application Documents:

Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person.

State Environmental Quality Review (SEQR) Determination

Project is not subject to SEQR because it is a Type II action.

SEQR Lead Agency None Designated

State Historic Preservation Act (SHPA) Determination

The proposed activity is not subject to review in accordance with SHPA. The permit type is exempt or the activity is being reviewed in accordance with federal historic preservation regulations.

Coastal Management

This project is located in a Coastal Management area and is subject to the Waterfront Revitalization and Coastal Resources Act.

DEC Commissioner Policy 29, Environmental Justice and Permitting (CP-29)

It has been determined that the proposed action is not subject to CP-29.

Availability For Public Comment

Comments on this project must be submitted in writing to the Contact Person no later than 07/24/2015 or 30 days after the publication date of this notice, whichever is later.
