

# Family Development Credential Program (FDC) and FDC for Leaders

Spring 2019 Online Scholarship Applications are now available for both the Family Development Credential (FDC) Program for frontline staff; and the Family Development Credential Program for Leaders for supervisors, managers and directors.

These intensive professional development training opportunities emphasize empowerment and family support as a way of delivering human services, education, and health to individuals, youth and families.

Classes begin on Friday, February 22, 2019.

FDC and FDC for Leaders offer the following professional development benefits:

- Meets new performance standards for Head Start staff, as approved by the Office of Head Start

Clock hours which can be used toward renewal requirement for:

- School Age Child Care (SACC)—up to 20 hours
- Credentialed Alcoholism and Substance Abuse Counselor (CASAC)
- College credits
