Code”) Sections 23-1201 to -1205) are effective June 15, 2018. Such laws apply to human services contracts and other contracts designated by the City Chief Privacy Officer that involve the collection, retention, or disclosure of “Identifying Information” in connection with services provided under a City contract. Accordingly, in connection with the services provided under this Subcontract, Subcontractor may collect, retain, and disclose Identifying Information only in accordance with the requirements of this Identifying Information Rider, the policies and protocols adopted pursuant to Admin. Code Sections 23-1201 to -1205, the other provisions of this Subcontract and as otherwise required by law.

Section 1.02 Definitions.

A. “Agency” means the City agency or office through which the City has entered into the City Contract.

B. “Agency Privacy Officer” means the person designated to exercise functions under Admin. Code Sections 23-1201 to -1205 by the Agency through which the City is a party to the City Contract.

C. “City Chief Privacy Officer” means the person designated by the Mayor pursuant to Charter Section 8 subdivision (h) as the City’s Chief Privacy Officer or such person’s designee.

D. “Exigent Circumstances” means circumstances where collection or disclosure is urgently necessary, such that procedures that would otherwise be required cannot be followed.

E. “Identifying Information” means any information provided by the City or Contractor to the Subcontractor or obtained by Subcontractor in connection with this Subcontract that may be used on its own or with other information to identify or locate an individual. Identifying Information includes, but is not limited to: name, sexual orientation, gender identity, race, marital or partnership status, status as a victim of domestic violence or sexual assault,

status as a crime victim or witness, citizenship or immigration status, eligibility for or receipt of public assistance or city services, all information obtained from an individual's income tax records, an individual's Social Security number, information obtained from any surveillance system operated by, for the benefit of, or at the direction of the New York City Police Department, motor vehicle information or license plate number, biometrics such as fingerprints and photographs, languages spoken, religion, nationality, country of origin, place of birth, date of birth, arrest record or criminal conviction, employment status, employer information, current and previous home and work addresses, contact information such as phone number and email address, information concerning social media accounts, date and/or time of release from the custody of the Administration for Children's Services, the Department of Correction, or the New York City Police Department, any scheduled court appearances, any scheduled appointments with the City, the Subcontractor that provides human services or other services designated by the City Chief Privacy Officer, and any other category of information designated by the City Chief Privacy Officer.

Section 1.03 Collection.

Absent Exigent Circumstances, Subcontractor shall not collect Identifying Information unless such collection (a) has been approved by the Agency Privacy Officer or the City Chief Privacy Officer and the collection of such Identifying Information is in furtherance of Subcontractor's obligations under this Subcontract; (b) is required by law or treaty; (c) is required by the New York City Police Department in connection with a criminal investigation; or (d) is required by a City agency in connection with the welfare of a minor or other individual who is not legally competent.

Section 1.04 Disclosure.

A. Absent Exigent Circumstances, Subcontractor shall not disclose Identifying Information unless such disclosure (a) has been authorized in writing by the individual to whom such information pertains or, if such individual is a minor or is otherwise not legally competent, by such individual's parent, legal guardian, or other person with legal authority to consent on behalf of the individual; (b) has been approved by the Agency Privacy Officer or the City Chief Privacy Officer and the disclosure of such Identifying Information is in furtherance of Subcontractor's obligations under this Subcontract; (c) is required by law or treaty; (d) is required by the New York City Police Department in connection with a criminal investigation; or (e) is required by a City agency in connection with the welfare of a minor or other individual who is not legally competent.

B. If Subcontractor discloses an individual's Identifying Information in violation of this Rider, Subcontractor shall notify the Agency Privacy Officer. In addition, if such disclosure requires notification to the affected individual(s) pursuant to the policies and protocols promulgated by the City Chief Privacy Officer under

subdivision 6 of Section 23-1203, in the discretion of the Agency Privacy Officer Subcontractor shall either (i) make reasonable efforts to notify such individual(s) in writing of the Identifying Information disclosed and to whom it was disclosed as soon as practicable or (ii) cooperate with the Agency's efforts to notify such individual(s) in writing. The City shall have the right to direct the Contractor to withhold further payments under this Subcontract for the purpose of set-off in sufficient sums to cover the costs of notifications and/or other actions mandated by any law, administrative or judicial order, or the City Chief Privacy Officer to address the disclosure, and including any fines or disallowances imposed by the State or federal government as a result of the disclosure. The Agency shall provide Subcontractor with written notice and an opportunity to comment on such measures prior to implementation. Alternatively, at the City's discretion, or if monies remaining to be earned or paid under this Subcontract are insufficient to cover the costs detailed above, Subcontractor shall pay directly for the costs, detailed above, if any.

C. 1.04(B) shall not require any notification that would violate any law or interfere with an investigation or otherwise compromise public safety pursuant to subdivision e of Section 23-1204.
