

In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) intends to enter into a Negotiated Acquisition Extension with the contractors listed below for the COMPASS school-based elementary programming. The Comprehensive Afterschool System of NYC (COMPASS) Program serves young people enrolled in grades K-12. Through its network of providers, COMPASS offers high quality programs that offer a strong balance of academics, recreation, enrichment, and cultural activities to support and strengthen the overall development of youth. COMPASS aims to help young people build skills to support their academic achievement, to raise their confidence and to cultivate their leadership skills through service learning and other civic engagement opportunities.

The Elementary model is a robust design built on lessons learned by DYCD throughout COMPASS's history and caters to the whole child from Kindergarten through 5th grades. Beyond STEM, COMPASS programs strive to integrate literacy into all instruction; offers homework help, basic arts instruction, and physical activity, including nutritional programming to promote healthy living.

The term shall be July 1, 2021 through June 30, 2023 with no options to renew.
