

In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) intends to enter into a Negotiated Acquisition Extension with the contractors listed below to provide SONYC programming in public schools. SONYC Programs are offered at no cost to youth grades 6-8 and are purposefully located in public schools throughout the City to leverage the use of public spaces and help youth find a safe familiar place that fits their needs. DYCDs non- public school sites demonstrates our commitment to ensure services in all high need neighborhoods.

SONYC Additional Public Schools provide a range of activity options to stimulate and inspire participant achievement and keep students originating from low-income households out of trouble when the school day ends. The services offer an enhanced afterschool model that extends learning opportunity programs for middle school students' 6 to 8 grade.

The term shall be July 1, 2021 through June 30, 2023 with no options to renew.
