✦ Portfolio Step 1: Defining Hope

<p>Hope is...</p>	<p>Insert your photo here.</p>
-------------------	--------------------------------

✦ Portfolio Step 2: My Hope Hero

To sustain our own sense of hope, it is often helpful to look at people or situations that inspire our hope - a Hope Hero. A hope hero can be someone you admire because they give you hope, for example:

Attachment is the Hope: a person that inspires you to build and keep trusting relationships, have a sense of connection to others, and have strong survival skills. Like a family member or a person you have a positive relationship with.

Mastery Hope: someone that inspires you to become strong and successful, supported in your efforts, and inspired by good role models. Like astronaut [Ellen Ochoa](#), or car engineer [Ralph Gilles](#)

Survival Hope: a person or situation that reminds you to stay calm and find ways out of trouble or difficult situations. Like Holocaust Survivor [Elie Wiesel](#) or Underground Railroad Conductor [Harriet Tubman](#).

Spiritual Hope: someone or something that inspires you to feel close to nature and all human beings and to draw extra strength and protection. Like environmental activists [Quannah Chasinghorse](#) or [Helena Gualinga](#).

Collective Hope: a person or movement that inspires with a shared vision of what could be, with a shared commitment and determination to make it a reality. An activist like [Carmen Perez Jordan](#) or [Ashram Parsi](#). Or social justice movements like [Dakota Access Pipeline Protests](#) or the [Black Lives Matter Movement](#).

✦ For this portfolio step, your task is to Create a Magazine Cover with Your Hope Hero. You can do this by free drawing, using Microsoft Word, Publish or PowerPoint, or Canva.
