“Spring Into Health Fair” will **engage, encourage, empower, and expose** community residents to an array of holistic services. Participating sites will engage local community-based organizations and City agencies in each neighborhood.

Activities will focus on three topics: **awareness** and **education** (supplemental nutrition assistance, health insurance enrollment opportunities); **lifestyle information** (e.g. Blood pressure, vision, dental screening); and **demonstrations** (e.g. Yoga, Zumba, CPR).
