EQUAL EMPLOYMENT PRACTICES COMMISSION
CITY OF NEW YORK

Whereas, pursuant to Chapter 36, Section 831(d)(2) of the New York City Charter, the Equal Employment Practices Commission (EEPC) is authorized to audit and evaluate the employment practices, programs, policies and procedures of city agencies and their efforts to insure fair and effective equal employment opportunity for minority group members and women and to make recommendations to city agencies to insure equal employment opportunity for minority group members and women; and

Whereas, pursuant to Chapter 35, Section 814(a) (12) of the New York City Charter, the City established the Citywide Equal Employment Opportunity Policy (EEOP), a set of uniform standards and procedures designed to ensure the equality of opportunity for municipal government employees and job applicants, and, consistent with federal, state and local laws, identified other groups for protection from discrimination in employment; and

Whereas, the Equal Employment Practices Commission audited the KCPA’s Equal Employment Opportunity Program; and

Whereas, in accordance with Chapter 36, Section 832(c) of the City Charter, the EEPC may make a preliminary determination pursuant to Section 831(d) that any plan, program, procedure, approach, measure or standard adopted or utilized by any city agency does not provide equal employment opportunity. Now, Therefore,

Be It Resolved, that pursuant to the audit of the KCPA’s compliance with its Equal Employment Opportunity Policy, as well as Commission policies and EEO standards expressed in City guidelines, the Equal Employment Practices Commission hereby affirms and adopts the following preliminary findings:

1. The agency did not demonstrate that it distributed or posted the Citywide EEOP (2005).

2. The agency did not demonstrate that it issued a statement from the agency head reiterating commitment to EEO and listing the name and phone number of the EEO Officer during the period in review.

3. The EEO Officer did not receive basic training for EEO professionals on EEO laws/procedures and responsibilities under the EEO Policy.

4. The agency did not appoint or designate a trained female EEO professional for complaint intake and investigation; therefore, persons of each gender are not available to receive and investigate discrimination complaints. (In 2008 – through a memorandum of agreement – the
Office of the Kings County District Attorney agreed to let its (female) EEO Officer administer the KCPA's EEO program. That EEO Officer is no longer with the agency.)

5. No documentation was provided to indicate that the KCPA distributed uniform complaint investigation procedures that conform to federal, city and state laws pursuant to discrimination in employment.

6. The agency did not designate, or secure per agreement between the agency and another City agency, an individual responsible for handling reasonable accommodation requests and ensuring compliance with all federal, state, and local laws, as well as City and agency policies, pertaining to persons with disabilities (may be referred to as the Disability Rights Coordinator) and notify all employees of the appointment.

Be It Finally Resolved, that the Commission authorizes the Chair, Cesar A. Perez, Esq., to forward a letter to Public Administrator Bruce Stein formally informing him of the findings with appropriate explanations and recommendations and requesting, pursuant to Chapter 36 of the City Charter, a response to these findings within thirty days of receipt of the letter indicating what corrective actions the KCPA will take to bring it into compliance with the aforementioned policies and standards on equal employment opportunity.

Approved unanimously on November 10, 2011.

EQUAL EMPLOYMENT PRACTICES COMMISSION
CITY OF NEW YORK

RESOLUTION #13/943C: Determination of Compliance (Monitoring Period Required) by the Office of the Kings County Public Administrator with the Equal Employment Practices Commission’s required corrective actions pursuant to the audit and analysis of its Equal Employment Opportunity Program from January 1, 2008 to December 31, 2010.

Whereas, pursuant to Chapter 36, Section 831(d)(2) and (5) of the New York City Charter, the Equal Employment Practices Commission is authorized to audit and evaluate the employment practices, programs, policies, and procedures of city agencies and their efforts to ensure fair and effective equal employment opportunity for minority group members and women, and to make recommendations to city agencies to insure equal employment opportunity for minority group members and women; and

Whereas, pursuant to Chapter 36, Section 831(d)(2), this Commission has adopted Uniform Standards for EEEC Audits and Minimum Equal Employment Opportunity Standards for Community Boards to assess agencies’ EEO programs and policies for compliance with federal, state and local laws, regulations, policies and procedures which are designed to increase equality of opportunity for women, minorities, and other employees and job applicants identified for protection from discrimination in employment within municipal government; and

Whereas, pursuant to its audit and analysis of the Office of the Kings County Public Administrator’s (KCPA) EEO Program, the Equal Employment Practices Commission (EEOC) issued a preliminary determination letter, dated November 10, 2011, setting forth the following findings and required corrective actions:

1. The KCPA should distribute and post the Citywide EEO Policy (2005).

2. The KCPA should issue a statement from the agency head reiterating his commitment to EEO and listing the name and phone number of the EEO Officer.

3. The KCPA should provide appropriate EEO training to its EEO Officer or secure, per agreement between the agency and another City agency, a trained EEO professional to administer the agency’s EEO Program.

4. The KCPA should designate, or secure per agreement between the agency and another City agency, trained employees of each gender for complaint intake/investigation.

5. The KCPA should distribute uniform complaint investigation procedures that conform to federal, city and state laws pursuant to discrimination in employment or follow the City of New York’s Discrimination Complaint Procedures Implementation Guidelines that are an addendum to the Citywide EEOP.
6. The agency should designate, or secure per agreement between the agency and another City agency, an individual responsible for handling reasonable accommodation requests and ensuring compliance with all federal, state, and local laws, as well as City and agency policies, pertaining to persons with disabilities (may be referred to as the Disability Rights Coordinator) and notify all employees of the appointment.

7. Since the Charter and the EEOP require the agency head to ensure and promote equal employment opportunity, after implementation of the above recommendations, the agency head should distribute a memorandum to all staff informing them of the changes that have been implemented in the agency’s EEO program pursuant to the EEPC’s audit. This memorandum should re-emphasize the agency head’s commitment to the agency’s Equal Employment Opportunity Program.

Whereas, the KCPA did not respond to the EEPC’s preliminary determination and, consistent with the Commission’s audit protocols, the EEPC’s preliminary determination became its final determination; and

Whereas, in accordance with Chapter 36, Section 832(c) of the New York City Charter, the EEPC monitored the implementation of the remaining corrective actions with an eighteen-month informal and formal extension of the monitoring period to enable the agency to complete implementation of the corrective actions 3, 4, 5, and 6, and for the KCPA EEO professionals to complete Diversity and Equal Employment Opportunity Basic Training for EEO Professionals;

Whereas, at the EEPC’s request pursuant to Section 815.a.(15) of the New York City Charter, the KCPA submitted a copy of the agency head’s memorandum to staff, which outlined the corrective actions implemented in response to the EEPC’s audit and reiterated commitment to the agency’s EEO Program; and

Whereas, all of the EEPC’s corrective actions are required by, or are consistent with, federal, state and local laws, regulations, policies and procedures which are designed to increase equality of opportunity for women, minorities, and other employees and job applicants identified for protection from discrimination in employment within municipal government; Now Therefore,

Be It Resolved, that the Office of the Kings County Public Administrator has implemented the required corrective actions deemed necessary to ensure compliance with the equal employment opportunity standards of this Commission and requirements of Chapters 35 and 36 of the City Charter.
Be It Finally Resolved,
that the Commission authorizes Chair Cesar A. Perez, Esq., to forward this Determination to
Kings County Public Administrator, Bruce L. Stein, Esq.

Approved unanimously on November 14, 2013.
