RESOLUTION #12/30-841: Preliminary Determination Pursuant to the Audit of the Department of Transportation’s (DOT) Equal Employment Opportunity Program from January 1, 2009 through December 31, 2011.

Whereas, pursuant to Chapter 36, Section 831(d)(2) of the New York City Charter, the Equal Employment Practices Commission (EEPC) is authorized to audit and evaluate the employment practices, programs, policies and procedures of city agencies and their efforts to insure fair and effective equal employment opportunity for minority group members and women, and to make recommendations to city agencies to insure equal employment opportunity for minority group members and women; and

Whereas, pursuant to Chapter 35, Section 814(a) (12) of the New York City Charter, the City established the Citywide Equal Employment Opportunity Policy (EEOP), a set of uniform standards and procedures designed to ensure the equality of opportunity for municipal government employees and job applicants, and, consistent with federal, state and local laws, identified other groups for protection from discrimination in employment; and

Whereas, the Equal Employment Practices Commission audited the Department of Transportation’s Equal Employment Opportunity Program; and

Whereas, in accordance with Chapter 36, Section 832(c) of the City Charter, the EEPC may make a preliminary determination pursuant to Section 831(d) that any plan, program, procedure, approach, measure or standard adopted or utilized by any city agency does not provide equal employment opportunity. Now, therefore,

Be It Resolved,
that pursuant to the audit of the Department of Transportation’s compliance with the City’s Equal Employment Opportunity Policy (EEOP), as well as Commission policies and EEO standards expressed in the City guidelines, the Equal Employment Practices Commission hereby affirms and adopts the following preliminary findings:

1. Although the agency reviewed its CEEDS data and targeted recruitment in job groups that showed underutilization of minorities and females, underutilization currently remains among Blacks and females in the Managers job group. The agency indicated that it did not formally assess the manner in which candidates were selected for discretionary positions, to determine whether there is any adverse impact upon any particular racial, ethnic, disability, or gender group.

2. Six of the DOT’s facilities located at 345 E. 59th St. (119 employees), 1400 Williamsbridge Road (51 employees), 30-01 Harper St. - Asphalt Plant (12 employees), 5 Dubois (57 employees), 424 Wythe Ave. - Paint Warehouse (1 employee), and 59 Adams St. (9 employees) lacked elevator access or wheelchair accessibility to employees and applicants for employment with disabilities. The Authority to render these facilities accessible to employees and applicants with disabilities lies with the City of New York.

3. Although the agency appointed a Disability Rights Coordinator (DRC) and identified this individual in the agency’s Discrimination Complaint Procedure, 77% of respondents to the
EEPC’s *Employee Survey* indicated they did not know who the agency’s Disability Rights Coordinator is.

4. Although the agency appointed a Career Counselor and posted the name and contact information of this individual on the agency’s EEO webpage and in the agency’s EEO Policy Statement, 74% of respondents to the EEPC’s *Employee Survey* indicated they do not know who the agency’s Career Counselor is.

**Be It Finally Resolved,**
that the Commission authorizes the Chair, Cesar A. Perez, Esq., to forward a letter to Commissioner Janette Sadik-Khan, formally informing her of the findings with appropriate explanations and recommendations and requesting, pursuant to Chapter 36 of the City Charter, her response to these findings within thirty days of receipt of the letter indicating what corrective actions the Department of Transportation will take to bring it into compliance with the aforementioned policies and standards on equal employment opportunity.

Approved unanimously on October 18, 2012.

MEMORANDUM

TO: All Employees

FROM: Janette Sadik-Khan
Commissioner

DATE: April 4, 2013

SUBJECT: Equal Employment Practices Commission Audit

The Equal Employment Practices Commission (EEPC) periodically conducts audits of the Equal Employment Opportunity Offices (EEO) of all city agencies. An audit of the Department of Transportation’s (DOT) compliance with the City’s EEO Policy was completed on March 1, 2013, for the period of January 1, 2009, to December 31, 2011.

As a result of the audit, DOT was required to implement EEPC’s recommendations within six months. I am pleased to report that we are now in full compliance with the audit recommendations, which were the following:

- Assess the manner in which candidates are selected for employment, to determine whether there is any adverse impact upon any particular protected group. If adverse impact is discovered, the agency head should use criteria which diminish adverse impact.

- Develop a plan to demonstrate accessibility for facilities where there is inaccessibility. Identify barriers to inaccessibility and efforts made to remove these barriers.

- Identify the persons responsible for handling reasonable accommodation and Career Counseling. They are Ann Williams, Assistant Commissioner/EEO Officer, located at 59 Maiden Lane, 37th Fl., New York, N.Y. 10038 and can be reached at 212/839-6600. Suzanne Grecke, is DOT’s Career Counselor and is located at 55 Water St, 8th Fl., New York, N.Y. 10041, at 212/839-9552.

I reaffirm DOT’s commitment to maintaining fair employment practices for all employees and applicants. DOT is committed to preventing discrimination by ensuring that all employees are aware of their rights and obligations under the EEO Policy and by encouraging a work environment that tolerates and appreciates differences among employees. I encourage everyone to access all available EEO resources within DOT and any concerns you may have should be directed to the Assistant Commissioner/EEO Officer, Ann Williams at 212/839-6603.
