

Project # SANDRESM2 | Borough: Manhattan | Issue Date: 2/01/2021

The East Side Coastal Resiliency Project is an initiative to provide long-term flood protection on the Lower East Side.

East River Greenway Closure: Between E 20th & E 23rd Street

Starting the week of February 15, 2021

Flood wall construction operations adjacent to the Solar One facility will necessitate the following Bikeway detour, 24 hours/day, 7 days/week. Pedestrians to use local crosswalks and sidewalks.

If you have questions, or would like to learn more about the East Side Coastal Resiliency Project, please contact your Community Construction Liaison (CCL):

Nadine Harris

Phone: 347-572-3057 Email: ESCRCL2@ddccr.com

Inquiry Tool: www.nyc.gov/escr/contact

PLEASE NOTE: Due to unforeseen conditions (weather, field conditions, etc.) it may become necessary to change some scheduled work locations and operations.
