

Project # SANDRESM2 | Borough: Manhattan | Issue Date: 5/11/2021

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Daytime Pile Driving at E 23rd Street under the FDR Drive

Starting the week of May 24, 2021
Ongoing through June 2021

During pile driving operations for the construction of the floodwall, noise is anticipated between the hours of 7:00am to 3:30pm in areas indicated below, as noted in previous advisories. See separate traffic shift advisories. Noise monitoring devices are in place.

If you have questions, or would like to learn more about the ESCR project, please contact your Community Construction Liaison (CCL):

Nadine Harris

Phone: 347-572-3057 Email: ESCRCL2@ddccr.com

Inquiry Tool: www.nyc.gov/escr/contact

PLEASE NOTE: Due to unforeseen conditions (weather, field conditions, etc.) it may become necessary to change some scheduled work locations and operations.
