

Project # SANDRESM1 | Borough: Manhattan | Issue Date: 10/20/2021

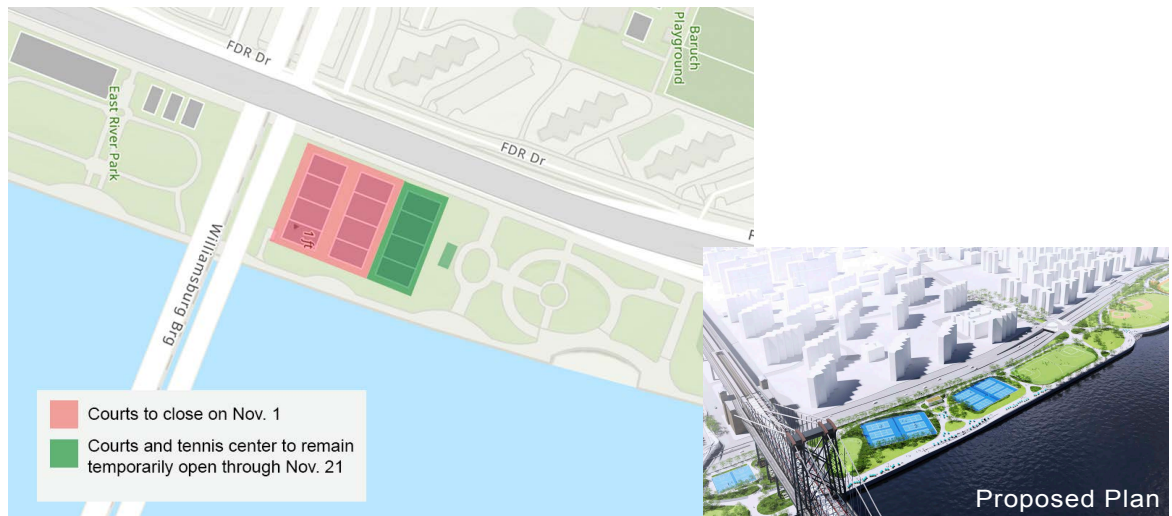

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

## Brian Watkins Tennis Center Closure

### Starting the Week of November 01, 2021

To facilitate the construction of the ESCR project, the tennis center will begin a phased closure. Four (4) tennis courts on the north side and the tennis center will remain open through the end of the 2021 permit season on November 21, 2021. All tennis courts and the tennis center, including restrooms, will be closed until 2024, subject to change.

For additional information on park interim recreation visit **Parks Neighborhood Recreational Resources** pages which can be found on the ESCR homepage: [www.nyc.gov/escr](http://www.nyc.gov/escr)
