4. Describe the specific issue in detail

The grading processing may take from six (6) to eight (8) weeks. The exam results will be mailed to the candidates’ home address indicated on the A-20 application filled out during the On-Site Exam. If the candidates fail, the failure notice will also be mailed to the premises.

H. The Consequence of Failing the On-Site Exam

- **First failure:**

  If the candidate fails the On-Site Exam, the exam fee will not be refunded. Applicants will be permitted to take two (2) On-Site Exam; however, applications for a second On-Site Exam must be requested before the expiration date listed on the FLSD Certificate of Completion.

  If the candidate fails the entire On-Site Exam (total score is less than 70, fails 2 or more important questions, or fails at least one mandatory question) but passes one component of the exam, the candidate may choose only to retake the component (General Building Knowledge Component or Non-Fire Component) he/she fails. However, the fee will still be charged in full (F-89 Non-Fire portion On-Site exam: $305).

- **Second failure:**

  If the candidate does not pass the On-Site Exam after the second attempt and does not hold any valid F-89/T-89/Q-89 C of F for other locations, the candidate will be required to retake and pass the FLSD Non-Fire Component computer based exams. The candidate must **pass the FLSD: Non-Fire Component exam within 1 year from the issuance date of the second failure notice**. If the candidate fails to pass the Non-Fire Component computer based exam within 1 year, the candidate has to restart the entire process by retaking the 11-hour “FLS Director: Non-Fire Emergencies EAP and ASMEP” course.

  - **Candidates who hold valid F-85 and or F-89 C of F for other premises and miss two or more important questions during an onsite exam in additional buildings**

    If the candidate is seeking to be certified in an additional building and fails the On-Site Exam because he/she missed two or more important responses for the Non-Fire Component of the On-Site exam, the candidate will be required to take and pass a written Remedial FLS Director: Non-Fire Component Examination (R-59) before being permitted to schedule another On-Site Exam.

    Failure to pass the R-59 exam or ignoring the R-59 notice will result in a suspension of the Fire Safety Director (F-85) and/or Fire and Life Safety Director (F-89/T-89) certifications. See the Notice of Examination R-59/R-58 for further information.
