INTRODUCTION

About this Guide

This User Guide is designed to assist users in submitting a Request for an Explosives Unit Inspection online via FDNY Business.

Submitting a Request for an Explosives Unit Inspection can be done from any computer with an Internet connection and using any browser. When you submit a Request for Test/Inspection, you will be required to upload supporting documents.

Effective 02/14/2022, all Requests for Explosives Unit Inspections must be submitted online on FDNY Business. Scheduling requests will no longer be accepted via email.

Once an Inspection has been requested and has been scheduled by FDNY, if you need to postpone your Inspection you MUST request a Cancellation. Cancellations should be requested at least three (3) business days before your scheduled Inspection or you may be charged the Inspection Fee.

Once you have received confirmation that your request for Cancellation has been accepted, you will need to create a new Request for an Inspection to reschedule.

For more information about requirements for your specific Inspection type, please see the FDNY Inspections Page.

Numbers in the images will assist you in following the instructions. For example, 1 indicates your first action, 2 indicates your second action, etc.

For additional assistance, dial 311 and ask for FDNY Business Support or send an email to FDNY.BusinessSupport@FDNY.nyc.gov.
1. Create a NYC ID for FDNY Business
