INTRODUCTION

About this Guide

The *Submitting a Certificate of Correction Request for an FDNY Summons* User Guide is designed to assist users in applying for and submitting a Certificate of Correction Request (CCR) for an FDNY Summons online via FDNY Business.

The FDNY Summons Certificate of Correction Request can be used to submit a correction request for any Violation Category (VC) listed on an FDNY Summons and can be completed from any computer with an Internet connection. (Requests cannot currently be completed using a mobile device).

Applicants also may continue to submit their requests in person at FDNY Headquarters or via U.S. Mail.

To complete the online Request, you must have the following:

- A **NYC ID** (instructions on creating a **NYC ID** are below)
- Your FDNY Summons Record ID (this can be found on your FDNY Summons).
- Any relevant **Supporting Documents** (minimally, you **MUST** provide a copy of the Certificate of Correction.

Throughout this User Guide, numbers in the images will assist you in following the instructions. For example, 1 indicates your first action, 2 indicates your second action, etc.

For additional assistance, dial 311 and ask for FDNY Business Support or send an email to [FDNY.BusinessSupport@FDNY.nyc.gov](mailto:FDNY.BusinessSupport@FDNY.nyc.gov).
You can now apply for and submit an FDNY Summons Certificate of Correction Request (CCR) online through FDNY Business. Once your CCR Request has been submitted, it will be reviewed by FDNY.

During the application process, you will be required to provide a copy of your Certificate of Correction Defects (CCR). Additionally, you should also provide any other supporting document(s) necessary for FDNY to review with your CCR.

After submitting your Request, you will receive an email notification with the title “Certificate of Correction Request Submitted Successfully.”

Once FDNY has reviewed your CCR Request and has made a determination, you will receive another email notifying you of one of the following determinations:

- **Cure Letter (Issued)**
  - Issued for first-time offenders when the Certificate of Correction Request is submitted by the compliance date. The Compliance Date is located on your FDNY summons. All Violation Categories must be deemed corrected by FDNY. If you receive a Cure Letter, you are not required to attend the hearing at OATH.

- **Correction Letter (Issued)**
  - Issued when the CCR Request is approved. A Correction Letter is issued to a City Agency or certain Applicants when the CCR Request is submitted and approved. If you are a repeat offender, as noted on your FDNY summons, you must attend the hearing at OATH.

- **Letter of Disapproval (Issued)**
  - Issued when the CCR Request is NOT approved (e.g., if there are outstanding VCs that have not yet been corrected). You must resubmit in order to receive a Cure or Correction Letter.

- **False Certification (Issued)**
  - Issued if FDNY determines that your CCR is falsely certified. You must attend your hearing at OATH on the hearing date.

**Fig. 5: Select/Click ‘Continue Application’**
Step 2: Enter the FDNY Summons Information

On the **Correction Information** page. Complete the “FDNY Summons Information” section by entering the **FDNY Summons Record ID** for which you are submitting this CCR (the **FDNY Summons Record ID** can be found on your FDNY Summons (also known as the Violation or Summons number).

The Violation / Summons number must be 10 digits. If you need to enter a 9-digit number, enter a leading "0", e.g. 123456789 should be entered as "0123456789". Next, click to select either “Yes” or “No,” as applicable, to answer the **I have corrected all said violations as ordered by the Commissioner** statement. Then, click **Continue Application**. See Figures 6 - 7.

**NOTE:** For instructions when selecting “No” [i.e., all Violation Categories (VCs) have **NOT** been corrected), see **Scenario 1** below. For instructions when selecting “Yes” (i.e., all VCs **HAVE BEEN** corrected), see **Scenario 2** below.]

**Fig. 6:** Enter FDNY Summons Record ID/Select ‘Yes’ or ‘No’

**Fig. 7:** FDNY Summons — FDNY Summons Record ID Located
NOTE: Be certain to enter the correct FDNY Summons Record ID. If the Record ID you entered is NOT correct, you will receive an error message (shown below in "red").

Check the Record ID you entered and try again. See Figure N1.

**Scenario 1: Answering ‘No’ (ALL Violations Have NOT Been Corrected)**

You may have only one (1) Violation or you may have several Violations on the FDNY Summons. When selecting the answer for I have corrected all said violations as ordered by the Commissioner, answer “No” if:

- One or more — but not all — Violations on the FDNY Summons have been corrected.

If you select “No,” additional statements will be displayed. You will need to answer these statements. In this example, we will select “No.”

The next statement will then be displayed. When selecting the answer for “I have only corrected the following violations and will attend hearing on the scheduled date:”,

- Answer “Yes” if one or more — but not all — Violations on the FDNY Summons have been corrected AND that you WILL attend the hearing.

- Answer “No” if one or more — but not all — Violations on the FDNY Summons have been corrected AND that you will NOT attend the hearing.

In this example, we will select “Yes” for this statement.
Next, in the **Violations Corrected** text box, enter the VCs (as listed on the FDNY Summons) that you **HAVE** corrected. Make sure to separate multiple VCs with a comma (e.g.: VC1, VC13, etc.).

When you are ready, click **Continue Application**. See Figure 8.

---

**Scenario 2: Answering ‘Yes’ (ALL Violations HAVE BEEN Corrected)**

You may have only one (1) Violation or you may have several Violations on the FDNY Summons. When selecting the answer for **“I have corrected all said violations as ordered by the Commissioner”**, answer “Yes” if:

- **ALL Violations Categories (VCs) on the FDNY Summons HAVE BEEN corrected.**

In this example, we will select “Yes.” Next, click **Continue Application**. See Figure 9.

**NOTE:** If you have answered “Yes,” you will **NOT** need to answer any additional statements.
Step 3: Set Violations that Have Been ‘Corrected’

In this example, we have entered our details as described in Scenario 1 (i.e., all Violations have NOT been corrected), and have clicked on Continue Application.

The screen refreshes to the “Violations Section.” This section shows whether the Violations are Corrected, and the Violation Category, Violation Category Description and the Remedy.

NOTE: All status information shown is based on whether Scenario 1 or Scenario 2 applies to your FDNY Summons, and on the responses selected for either scenario, as applicable, as described above.

In this example, we have two (2) Violations on the FDNY Summons, and we have only corrected one (1) of the Violations — the “VC11” Violation Category.

To adjust the Corrected status to “Yes,” click on the Actions drop-down list, and then click on Edit/View. See Figure 10.

NOTE: If the Violation Category values do NOT match the ones listed on the FDNY Summons, make sure you have entered the correct FDNY Summons Record ID in Step 1.
