INSTRUCTIONS

General Information

REAP benefits are available only to taxpayers that have previously applied to the New York City Department of Finance and received an Initial Certificate of Eligibility.

If you have relocated more than once, attach a schedule showing your apportionment of eligible aggregate employment shares to each relocation. See Administrative Code §11-503(i)(1).

You must attach your annual certificate of eligible aggregate employment shares (ACEAES) received from the New York City Department of Finance and your initial Certificate of Eligibility for each relocation for which you are claiming credit.

Specific Instructions

The credit is **non-refundable** unless **all of the three criteria listed below are met**. For relocations where the credit is non-refundable fill out lines 1 through 9 of this schedule and not line 10. If all of the three criteria are met the credit is **refundable**. If the credit is refundable, skip lines 1 through 9 and fill out line 10.

A non-refundable REAP credit is limited to the tax imposed for the year less the UBT paid Credit. It must be taken before all other credits except the UBT paid credit. If the allowable non-refundable portion of the credit exceeds the tax imposed for the year less the UBT Paid Credit, the excess may be carried over to the five immediately succeeding taxable years and, to the extent not previously utilized, may be credited against the taxpayer's tax for such years.

NOTE

This form may no longer be used to claim Sales and Use Tax Credits.

The credit for sales and use taxes paid on electricity or electric service used in the production of tangible personal property formerly allowed by Admin. Code §11-503(g) has been repealed for purchases on or after November 1, 2000. This credit may no longer be taken and no adjustment to income or tax should be made with respect to this credit.

Purchases of machinery or equipment used in production for which a credit is allowed by Admin. Code §11-503(d) were exempted from sales tax effective December 1, 1989. Purchases of services performed on machinery or equipment used in production for which a credit is allowed by Admin. Code §11-503(k) were exempted from sales tax effective September 1, 1996. Credits may be taken under these two provisions (and corresponding addbacks to income should be made) only if the sales tax payment was made in the current year with respect to a purchase in a period when the applicable sales tax was effective.

If you wish to claim a credit pursuant to §11-503(d), a form NYC 114.5 for the year 1990 or a prior year should be used. If you wish to claim a credit pursuant to §11-503(k), a form NYC 114.5 for the year 2000 or a prior year should be used.
