General Information

REAP benefits are available only to taxpayers that have previously applied to the New York City Department of Finance and received an Initial Certificate of Eligibility.

If you have relocated more than once, attach a schedule showing your apportionment of eligible aggregate employment shares to each relocation. See Administrative Code §11-604(17)(a) and §11-643.7(a).

You must attach your annual certificate of eligible aggregate employment shares (ACEAES) received from the New York City Department of Finance and your initial Certificate of Eligibility for each relocation for which you are claiming credit.

Specific Instructions

The credit is non-refundable unless all of the three criteria listed below are met. For relocations where the credit is non-refundable fill out lines 1 through 9 of this schedule and not line 10. If all of the three criteria are met the credit is refundable. If the credit is refundable, skip lines 1 through 9 and fill out line 10.

A non-refundable REAP credit is limited to the tax imposed for the year less the UBT paid Credit. It must be taken before all other credits except the UBT paid credit. If the allowable non-refundable portion of the credit exceeds the tax imposed for the year less the UBT Paid Credit, the excess may be carried over to the five immediately succeeding taxable years and, to the extent not previously utilized, may be credited against the taxpayer's tax for such years.
