NYC-114.7 2014
INSTRUCTIONS

A person or entity subject to the Unincorporated Business Tax (UBT) that is a partner in a partnership subject to the UBT may claim a credit against its own UBT liability if the partner is required to include its distributive share of the income, gain, loss and deductions of, or guaranteed payments from, the partnership in its own tax base. The credit is available only with respect to taxes paid by the partnership for taxable years of the partnership beginning on or after July 1, 1994.

SCHEDULE A

LINE 1a - Enter amount from Schedule B, line 9. If you are claiming credits with respect to more than one partnership, add the amounts on line 9 on all attached Schedules B and enter the sum on this line.

LINE 1b - Before completing Schedule A, line 1b, you must have completed Schedule D, Column D.

SCHEDULE B

LINE 2 - If the distributing partnership has taken credits on its own Form NYC-204, lines 24a through 24d, enter the sum of such credits but only to the extent that they do not reduce the distributing partnership's unincorporated business tax below zero. The amount entered on line 2 may not exceed the amount on line 21 of the distributing partnership's Form NYC-204.

LINE 4 - Enter here the percentage of total distributive shares reported for you in column 4 of Schedule C of the distributing partnership's Form NYC-204. Attach a copy of the distributing partnership's Form NYC-204, Schedule C. Attach taxpayer's K-1 from the distributing partnership.

LINE 6 - If your answer to all of the following questions is "no", enter on line 6, the amount from your Form NYC-204, Schedule A, line 19.

1. Did you claim an NOL deduction on line 11 of Schedule A of your Form NYC-204?
2. Was the sum of your net distributive share of income, gain, loss, and deductions of, and guaranteed payments from, any unincorporated business less than zero (a "net loss distributive share")?
3. Was your unincorporated business taxable income less than zero before taking into account any distributive share or guaranteed payments from any partnerships, or NOL deduction (hereafter referred to as "separate UBT")?

If your answer to ANY of these questions is "yes", you must fill out a modified Form NYC-204 on which you make the following adjustments:

a. Do not take into account any NOL carryforward or carryback;

b. Treat all "net loss distributive shares" as zero (see question 2); and
c. If your separate UBT is less than zero, treat it as zero.(see question 3).

Enter on line 6 the amount from the above described modified Form NYC-204, Schedule A, line 19 (hereafter referred to as the "modified UBT liability"). Attached modified form NYC-204.

LINE 7 - If your answer to ALL three questions in the instructions for line 6 is "no", fill out a pro forma Form NYC-204 in which you calculate your Unincorporated Business Tax liability without taking into account your distributive share of income, gain, loss and deductions of, or guaranteed payments from, the distributing partnership with regard to which you are claiming a credit on this form.

Enter on line 7 the amount from the pro forma Form NYC-204, Schedule A, line 19. Attach pro forma Form NYC-204.

If your answer to ANY of the questions in the instructions for line 6 is "yes", fill out a modified pro forma Form NYC-204, taking into account the modifications required at a, b, and c of the instructions for line 6 above and recalculating your modified UBT liability without taking into account your distributive share of income, gain, loss and deductions of, or guaranteed payments from, the distributing partnership with regard to which you are claiming a credit on this form.

Enter on line 7 the amount from the modified pro forma Form NYC-204, Schedule A, line 19. Attach modified pro forma Form NYC-204.
