This package describes the New York City (NYC) Acceptance Testing System procedures for software developers participating in the NYC Business Tax e-File Program (BTeFile).

WHO MUST TEST

All software developers participating in the NYC BTeFile Program must test.

WHAT TO TEST

The tests verify that the e-file software creates a complete return, carries appropriate values from one line/form to another, formats and transmits NYC returns according to the XML specifications.

Software developers must test all the NYC Unincorporated Business Tax for Partnerships (UBTP) forms that they support. Before testing you should inform NYC which UBTP forms you support by email to BTeFile@finance.nyc.gov.

TEST CASES TO SUBMIT

All vendors participating in Unincorporated Business Tax - Partnerships e-File must submit the following test scenarios:

Test Case	Taxpayer Name	EIN	Primary Form	Associated Forms
1	SAMS UBTP TC ONE	00-2000001	NYC-204	NYC-114.5 NYC-114.6 NYC-114.7 NYC-399Z NYC-NOLD-UBTP
2	JENN UBTP TC TWO	00-2000002	NYC-204	NYC-114.7 NYC-114.8 NYC-114.10 NYC-399 NYC-WPE
3	EAST UBTP TC THREE	00-2000004	NYC-204EZ	None
4	SHOE UBTP TC FOUR	00-2000005	NYC-EXT	None
5	CARL UBTP TC FIVE	00-2000006	NYC-5UB	None

- If you do not support one of the primary forms do not submit that test.
- If you do not support one or more of the forms associated with a specific test case, submit the test with the unsupported form(s) as a PDF attachment(s). If this is done, an email must be sent to BTFile@finance.nyc.gov indicating the forms sent as PDF attachments.
- Contact BTFile@finance.nyc.gov if you desire to send additional test returns not covered in this test package.

WHEN TO TEST

Testing for UBT Partnership filers is scheduled to begin December 1, 2015. To ensure adequate time for testing before the filing season, software developers should submit their initial NYC test files as soon as possible. There is no cutoff date for testing with NYC, as long as the IRS is still accepting test returns. We do not require software developers to pass federal testing before testing with NYC. Software developers may conduct federal and City testing concurrently if the IRS allows it.

TRANSMITTING TEST FILES

Software developers must transmit NYC test files through the IRS Me-F system. You will get an acknowledgment from the IRS. If your test files are accepted by the IRS, NYC will retrieve your test files. If your test files are rejected by the IRS, you must correct the error and re-transmit. You may transmit an incomplete set of test cases during testing. However, a final set of acceptable test returns must be submitted in order to be accepted into the NYC BTeFile Program.

When your file test has been transmitted to the IRS, you must send an email to BTFile@Finance.nyc.gov. This email must include the test case(s) being submitted, and any deviation from the test data.

COMMUNICATING TEST RESULTS

Software Developers will be given confirmation by telephone and email from the New York City Business Tax e-File Coordinator when software has been successfully tested and approved. Only approved software may be released and distributed by the developer. NYC will make every effort to provide test results to software developers within 48 hours, Monday through Friday.

TEST ACKNOWLEDGMENT

For each submission a software developer sends through the IRS, DOF will acknowledge. The acknowledgment they receive will be either positive (ACK) or negative (NACK). The acknowledgment will be sent back to the IRS system for the vendor to pick up.

APPROVAL OF E-FILE SOFTWARE

To be accepted into the NYC Business Tax e-file program, software developers are required to successfully complete the NYC testing, in addition to completing the IRS testing. Once software developers successfully complete the NYC test, NYC will inform them by email that their e-file software has been approved for NYC BTeFile. A list of approved BTeFile software packages will be posted on NYC Department of Finance's Web site, with a link to the software Web site (if provided by the software developers).

INSTRUCTIONS FOR SCHEDULE A

A taxpayer subject to the Unincorporated Business Tax that has relocated to leased premises in New York City from a location outside New York State and has created at least 100 industrial or commercial employment opportunities in the City is allowed a credit against the Unincorporated Business Tax for the amount of any additional lease payments actually made to the taxpayer's landlord that are based solely and directly upon increased real estate taxes imposed upon the relocation premises. Before a taxpayer can claim the credit, the taxpayer's eligibility must be approved and certified by the Industrial and Commercial Incentive Board. The credit can be claimed annually for the length of the lease term, or for a period not to exceed ten years from the date of relocation, whichever period is shorter.

"Employment opportunity" means the creation of a full-time position (not less than 30 hours per week of gainful employment) for an industrial employee (one engaged in the manufacturing or assembling of tangible goods or the processing of raw materials) or commercial employee (one engaged in the buying, selling or otherwise providing of goods or services other than on a retail basis directly to the ultimate user or consumer) and the actual hiring of such employee for that position.

"Basic rent" means the rent provided for under a written lease for the use or occupancy of premises, excluding separately stated amounts required to be paid under the lease for such items as real estate taxes, maintenance expenses or fuel adjustments.

If more than one premises is included in the computation of the credit, attach a separate rider in the form of Schedule A for each such premises, and enter the sum of the amounts shown on such separate riders on Schedule A.

PART B, LINE 2a

Since the real estate tax escalation credit is the amount of the increased payments actually made that are solely and directly attributable to an increase or addition to the real estate taxes imposed upon the leased premises, the basic rent originally to be paid under the lease for the premises must be determined. It should be computed as an amount due for one month notwithstanding the manner in which it is expressed in the lease for the premises. The basic monthly rent as thus determined must then be multiplied by the number of months in the taxable period covered by this report so that the period covered by this report may be compared to a comparable period based upon the basic rent originally required to be paid.

PART B, LINE 2b

If, beginning with the inception of the term, the lease for the premises requires that an amount separate from the basic rent must be paid for real estate taxes attributable to the premises, you must enter on line 2b an amount to be determined by computing the amount that would be due per month, if such required payment were figured on a monthly basis and multiplying such amount by the number of months in the period covered by this report.

GENERAL INFORMATION

The Job Creation and Worker Assistance Act of 2002, P.L. 107-147, (the "Act") allows taxpayers an additional 30 percent depreciation deduction in the first year "qualified property" is placed in service. The Act allows a similar additional 30 percent first-year depreciation deduction for "qualified New York Liberty Zone property" and allows "qualified New York Liberty Zone leasehold improvements" to be depreciated over a five-year period using a straight-line method. The Act also allows an additional first-year expense deduction of up to \$35,000 for "qualified New York Liberty Zone property" under IRC §179 in addition to the otherwise allowable deduction. The Jobs and Growth Tax Relief Reconciliation Act of 2003, P.L. 108-27, (the "2003 Act") increased the first year federal depreciation deduction for certain qualified property to 50%.

The New York Liberty Zone generally encompasses an area of the borough of Manhattan below Canal Street. "Qualified property" (as defined in IRC §168(k)(2)) generally includes certain personal property

acquired after September 10, 2001 and before January 1, 2005 and placed in service after September 10, 2001 and before January 1, 2005 or 2006 in certain circumstances. The 2003 Act modified the definition of "qualified property" to provide that to qualify for the 50% deduction, the property must be acquired after May 5, 2003 and before January 1, 2005 and placed into service before January 1, 2005 or 2006 in certain circumstances. "Qualified New York Liberty Zone property" (as defined in IRC §1400L(b)(2)) generally includes the same types of personal property if used substantially in the New York Liberty Zone in connection with the active conduct of a trade or business in the New York Liberty Zone where the original use began with the taxpayer in the Liberty Zone after September 10, 2001. It also includes certain real property acquired to replace property damaged or destroyed in the attacks on the World Trade Center on September 11, 2001. For New York City tax purposes, property that qualifies as both "qualified property" and "qualified New York Liberty Zone property" will be eligible for enhanced depreciation and IRC §179 benefits as "qualified New York Liberty Zone property."

"Qualified Resurgence Zone property" is "qualified property" used sub-
