This form is to be used for periods beginning on or after January 1, 1985. For earlier periods use Form NYC-3360F.

LINE 1

If increase (decrease) in taxable income includes adjustment to depreciation of property on which optional depreciation has been claimed, the federal (New York State) depreciation adjustment should be eliminated and the deduction for optional depreciation corrected.

If the corporation disposed of property on which optional depreciation has been claimed and a federal (New York State) adjustment was made to either the cost basis or the selling price, a recomputation of the New York City capital gain must be submitted.

Submit schedule showing computation and enter the correct amount of allocated increase or decrease at column 2. Enter the difference between the amount in column 1 and the amount in column 2 in column 3.

LINE 14 - CLAIM FOR REFUND

Where the federal (New York State) change in business income would result in a refund, Form NYC-3360B may be used as a claim for refund, provided it is accompanied by a complete copy of the federal and/or New York State Audit Report or Statement of Adjustment.

LINE 15 - INTEREST

Enter at line 15, column A, interest owed on the additional tax due computed at the rate prescribed in the interest rate table from the due date of the Banking Corporation Tax Return (without regard to any extension of time for payment) to the date of payment. Effective for taxable years beginning on or after January 1, 1989, if this report is not filed within 90 days after the notice of the final federal (New York State) determination, no interest will be paid on the resulting refund.
