**SECTION III - PAYMENT PLAN ELIGIBILITY AND CRITERIA**

Registrant(s) must owe a minimum of \$350.00 in parking/camera judgment debt to be eligible for a payment plan. Judgment debt consists of parking/camera fines that have been unanswered and unpaid for more than 100 days and against which the Department of Finance has received a judgment from the civil court. **Parking/camera judgment debt of \$10,000 or more requires a completed credit application.**

Hearings on outstanding judgments must be completed before applying for a payment plan. Otherwise, payment is considered an admission of guilt and your right to a hearing on the judgments that are part of the payment agreement are waived. Only summonses in judgment for less than one year are eligible for a hearing. Summonses in judgment over one year are not eligible for hearings.

Accrual of Penalties and Forfeiture of Reduction. Late penalties shall continue to accrue on unpaid non-judgment summonses. This agreement shall not extend the time within which to pay following a reduction granted at a hearing. Failure to pay any sums due following a reduction within the time provided will result in a forfeiture of that reduction. Therefore, in order to retain the benefit of hearing reductions, we recommend you pay these summonses independently of this payment plan.

Towed Vehicles require a down payment of one-half or 50% of the judgment amount. Marshal/Sheriff tow fees are not included in the payment plan. Marshal fees are paid directly to the Marshal at his/her office before the vehicle can be redeemed. Sheriff fees are paid at the Business Center along with the down payment at the signing of the payment agreement. If approved, the vehicle must be redeemed within 48 hours of signing the payment agreement, paying the down payment, and receiving the signed and sealed Business Release Worksheet. Vehicles not redeemed within 48 hours may be subject to auction.

Non-towed vehicles require a down payment of one-third or 33% of the judgment amount.

If you require a co-signer, the credit application and all requested information and supporting documentation will also be required for the co-signer.

The final determination to grant or deny the payment plan will be made at the end of your interview by a Customer Service Representative or Management and is in the sole discretion of the Department of Finance.

All prior payment plans, either current or defaulted, must be satisfied in full before entering into a new payment plan.

Please make sure that your license, registration and insurance remain in good standing as a suspension of any one or all of the above may terminate your payment plan.

**Only a registered owner or court-appointed agent (Power of Attorney – Administrator) may enter into a payment plan.**

**Registration Clearance.** All outstanding judgments must be paid in full.

**TLC Clearance.** All outstanding judgment and non-judgment summonses must be paid in full.
