Problem Solving Day

The IRS's Taxpayer Advocate Service (TAS), New York State, and NYC Advocates will be available to assist taxpayers with their tax problems that they have not been able to resolve. The IRS's ITIN Policy Section will be on site to assist with ITIN applications and problem resolution. Our goal is to provide one on one guidance, direction on next steps, and case building ideas so we can solve your tax issues. If your tax issues meets our criteria, we'll assign a Case Advocate to work with you to resolve your issue.
