GENERAL INFORMATION

1. The filing of this application on or before the due date automatically provides an extension of six months after such due date for the filing of your completed tax return, provided the tax is properly estimated and the application is accompanied by a remittance for the amount shown on line 6. (If line 5 exceeds line 4, no remittance is required.)
2. A taxpayer that has received an automatic six-month extension by filing Form NYC-6 may request up to two additional three-month extensions by filing Form NYC-6.1 (Application for Additional Extension). A separate Form NYC-6.1 must be filed for each additional three-month extension requested. The Department of Finance may grant one or both additional three-month extensions if good cause exists.
3. A properly estimated tax must be either:
 - a) not less than 90% of the tax as finally determined;
 - or -
 - b) not less than the tax shown on the return for the preceding taxable year of 12 months.

In completing Form NYC-6, any credits to be claimed on Forms NYC-9.5 and NYC-9.6 (Claims for Credit) that are to be taken into account in computing the estimated tax should not be reflected on line 1b, but should be included on line 5 along with payments on account of estimated tax. However, any credit to be claimed on Form NYC-9.7 for Unincorporated Business Tax paid that is to be taken into account in computing the estimated tax should be reflected on line 1b and **not** included in line 5.

A taxpayer failing to meet all requirements will not receive the extension. If the tax return for which the extension was requested is filed after the due date, the return will be treated as late and late charges will be assessed.

LINE 1

On line 1a enter the preceding year's tax. For a corporation filing a Form NYC-4S, this is the amount the corporation entered on line 5 of its 1995 return. For a corporation filing a Form NYC-3L, this is the amount the corporation entered on line 6 of its 1995 return. For a combined group filing a Form NYC-3A, this is the amount the group entered on line 8 of the group's 1995 return.

On line 1b, enter the estimated tax for 1996 or fiscal year 1997. This is the amount a Form NYC-4S filer estimates will be entered on line 5 of its 1996 return; a Form NYC-3L filer estimates will be on line 6 of its 1996 return; and a combined group filing a Form NYC-3A estimates will be entered on line 8 of its 1996 return.

**LINE 2
FIRST INSTALLMENT OF
ESTIMATED TAX**

If the estimated tax shown on line 1b exceeds \$1,000, payment of the amount shown on line 2 is required as the first installment payment on account of estimated tax for the calendar year 1997 or fiscal years ending in 1998. The amount shown on line 2, if properly computed, is your required first installment of estimated tax for the current year, and is not to be changed when filing your completed tax return.

If the tax for the period following that covered by this application is expected to exceed \$1,000, a declaration of estimated tax and installment payments are required. Form NYC-400 is to be used for this purpose. (If the tax on this application exceeds \$1,000, Form NYC-400 will automatically be mailed to the taxpayer.)

**LINE 3
COMBINED FILERS**

A group of corporations must obtain permission from the NYC Department of Finance to file a return on a combined basis.

The combined group should file a joint application for automatic extension on one Form NYC-6. The minimum tax payment of \$300 must be paid for each taxpayer included in the combined group except the parent corporation, which is responsible for the combined tax.

Use the Employer Identification Number of the "parent" (the group member paying the combined tax) when completing page 1.

NOTE

A combined return member is excused from the minimum tax payment if it does **not** fall within any of the following categories:

- a) does business in the City;
- b) employs capital in the City;
- c) owns or leases property in the City; or
- d) maintains an office in the City.
