Frequently Asked Questions

About the Program

1. What is Fair Fares NYC?
   Fair Fares NYC is a City program created by Mayor Bill de Blasio, City Council Speaker Corey Johnson, and members of the City Council to help New Yorkers with low incomes manage their transportation costs. Using the Fair Fares NYC MetroCard, eligible New York City residents ride for half the regular cost.

2. How does the program work?
   Fair Fares NYC allows you to receive a 50% discount on subway and eligible bus fares.

   If you are eligible for Fair Fares NYC, the City will give you a special Fair Fares NYC MetroCard (FFM). The FFM you receive will not have any money on it. You must add time or value to your FFM once you receive it.

   When you add time to your Fair Fares NYC MetroCard, you will be charged half the current price for the unlimited weekly or monthly option.

   When you add value, you will add the amount you choose to your card and the turnstile will deduct half the current fare. This means, if you add $40.00 dollars to your FFM you will have the whole $40.00 on your FFM, but each time you swipe your card, you will only be charged half the current price for a single ride.

   You can use cash at subway station booths and cash, debit or credit card, or your EBT card at MTA MetroCard vending machines to add time or value to your FFM. The MTA vending machines are located in subway stations throughout the City.

3. Who is eligible to participate?

19. What happens if I receive a notice that my Fair Fares NYC MetroCard was deactivated due to misuse or fraudulent activity?
Clients whose cards are deactivated due to misuse or fraud are at risk of losing eligibility for Fair Fares NYC. After the first instance of misuse or fraudulent activity, your Fair Fares NYC MetroCard will be deactivated, and you will lose eligibility for the Fair Fares Program for 60 days. After the second instance of misuse or fraudulent activity, your Fair Fares NYC MetroCard will be deactivated, and you will be permanently disqualified from participating in the program. You are responsible for the use of your Fair Fares NYC MetroCard and must report a lost or stolen card right away to avoid a loss in eligibility.

Lost or Stolen Cards

20. What do I do if my Fair Fares NYC MetroCard is lost or has been stolen?
Call 311 to report the card lost or stolen. This information is sent to NYC Transit (NYCT), which is part of the MTA. NYCT will cancel the card.

You will receive a new card in the mail 2-3 weeks after you report a card as lost or stolen.

21. How do I request a refund if my card was lost or stolen?
After you call 311 to report your card lost or stolen, you must contact NYCT, which is part of the MTA, not the City of New York, by calling 511 to request a refund for your lost or stolen card. This will begin the refund process for any days left on the card.

Only 30-Day Unlimited Fair Fares NYC MetroCards purchased with a debit, credit, or EBT card are eligible for a refund. You must call NYCT before the end of the 30-day unlimited ride period to qualify for a refund.

NYCT does not provide refunds for lost or stolen 7-Day Unlimited or Pay- Per-Ride Fair Fares NYC MetroCards.
Lost or Stolen Cards  (continued)

NYCT reviews the card account and calculates the refund from the date you get in contact with them. If there are unused days on the card, NYCT will issue a credit back to your credit, debit or EBT card for the full days remaining. In some circumstances, if you paid with a debit card, NYCT will mail a check in the amount of the refund to you at the address that the Fair Fares NYC program has for you. You will not be able to get a refund if you have previously made two or more reports of lost or stolen MetroCards to NYCT within a calendar year. A $5 administrative fee will be deducted from the refund if a second claim is processed.

Fair Fares NYC will mail you a new card 2-3 weeks after you contact NYCT to report the card was lost or stolen. You will not be able to get a new card until NYCT cancels the reported card.

22. How many times can I replace my lost or stolen Fair Fares NYC MetroCard?
   We can only replace your lost or stolen Fair Fares NYC MetroCard once per calendar year.
