

# Landlord and Tenant Resource Fairs

## BRING HOUSING RESOURCES TO YOUR COMMUNITY

The New York City Department of Housing Preservation and Development (HPD)'s Community Outreach and Education unit partners with local elected officials, community groups, and sister agencies to organize Landlord and Tenant Resource Fairs in your community to provide information and direct services to building owners or tenants.

Participants at the Fair can visit each non-profit and government agency table to have one-on-one discussions with an agency representative and receive consultations, applications, referrals, and intakes for further services. HPD provides maps of the various tables so that participants can find the agency that will best serve their needs.

## Examples of Information and Services provided at the Fairs:

### Tenant Resource Fairs:

- rental assistance,
- SCRIE applications,
- eviction prevention, and
- affordable housing applications.

### Landlord Resource Fairs:

- low and no interest loans to rehabilitate property,
- assistance with property tax and water fees,
- Housing Maintenance Code violation removal, and
- solar energy conversions.

## How You Can Work with Us

Elected officials or local community groups should contact HPD to hold a Landlord or Tenant fair in their community. HPD will organize and put the Fair together. Our partners help with securing a location to host the fair and assist in outreach to the community. If you are interested in partnering with HPD to host a Fair, please call the Community Outreach and Education office at (212) 863-8830. Upcoming fairs are on HPD's website:
