Executive Summary:

The New York City Neighborhood Stabilization Program 2 will use stimulus funds to help partners across the city acquire and rehabilitate foreclosed and abandoned residential properties. These types of activities are CDBG eligible under 570.201(a) (b) and (d) and 570.202 for NSP eligible use a, b, d, and e. All units assisted will be occupied by households meeting the definitions of low, moderate and middle income as defined in the Housing and Economic Recovery Act of 2008, which first established the Neighborhood Stabilization Program. Funds will be available for households with incomes up to 120% of median income adjusted for household size, currently \$99,600 (as of FY 2012) for a family of 4.

Target Geography:

In order to target our efforts, maximize the potential impact of our activities, and stabilize communities, HPD analyzed census tracts in NYC to identify explicitly where foreclosures and vacancies are located at present. HPD used the HUD foreclosure risk methodology, as well as the most recent property-level data on foreclosure notices and scheduled foreclosure auctions. From this research, HPD identified the 96 census tracts most in need of the interventions. The targeted areas include Southeast Queens, Central Brooklyn, and the North Shore of Staten Island.

Program Approach:

Based on HPD's analysis, our NSP2 activities seek to arrest the negative impacts of foreclosure and vacancy of homes, residential and mixed-use buildings, and other properties. The application addresses (1) areas with an existing or expected supply of foreclosed properties available for purchase and (2) areas with vacant properties that have languished without the funding necessary for redevelopment or sale to bring these properties back into productive use. Specifically, our programs include: down-payment and rehabilitation assistance; mixed-used housing assistance, and stalled and vacant site development in the New York City target geography. In addition, 25% of the grant will be set aside for projects housing individuals and families whose incomes do not exceed 50 percent of area median income.

>

> This approach will have several benefits. By targeting funds to specific communities, there will be a greater impact on the neighborhood and funds will be directed to communities where it is needed the most. Another expected benefit is that housing that is safe and decent will be made available to low, moderate and middle income households.

Overall Progress Narrative:

Overall Progress Narrative:

HPD has been actively working with its various development partners to refine their proposals, so that these projects can most efficiently achieve the national objectives of neighborhood stabilization and revitalization and continued affordability as they relate to the needs of New York City. In prior quarters some of the originally proposed projects fell through. To address this gap, HPD identified five new projects where NSP2 grant funds could be used to support the NSP mission: DCA Central Brooklyn (\$6.5 million), the MHANY Hopkinson Cluster (\$1.6 million), Dean Atlantic (\$1.5 million), Truxton St (\$1.52mm) and Berean Apartments (\$1.35 million). HPD has received approval from HUD to include the census tract where the Berean Apartments development will take place on the list of eligible census tracts for NSP2 use. As such, the most recent amendment to HPD’s NSP2 action plan includes Berean Apartments for the first time, and it is now listed as a separate project in this QPR.

HPD has brought each of these multi-family development activities through the financial closing process as of the end of the June 2012 quarter. As the work done as part of these activities is completed, HPD anticipates that these activities will help alleviate the impact of foreclosure and abandonment in some of the hardest hit neighborhoods throughout the city. It is estimated that the projects described below will help deliver over 300 affordable units to the New York City housing market.

As mentioned above, each Multi-family development described in HPD's NSP2 action plan has had a successful legal closing occur. In the 2nd quarter, the last two closings occurred, for Truxton Apartments and MHANY Hopkinson (MHANY represents two activities, a portion that attributable to 50% AMI affordable units, and a portion attributable to 50-120% AMI affordable units). Both of these developments are new construction, so while some of the NSP2 funding was expending in support of these developments in Q2 2012, the bulk of the NSP2 expenditure will occur in the coming months as construction continues. Greater detail on these and the other NSP2 funded developments is listed below.

- **DCA Central Brooklyn:** This development closed on financing at the end of December, 2011. The \$6.5mm of NSP2 funds supported the acquisition of a 27 building scatter site development containing 216 units. Specifically, NSP2 assistance was provided to 128 units in the 16 NSP2-eligible buildings. The new owner/developer, Omni New York LLC has taken possession of the buildings, which are remaining in New York's Mitchell Lama affordable housing program. At the closing, the entirety of the NSP2 funds was expended. We have processed backup for the bulk of these expenditures and drawn them down in DRGR. The remaining amount will be drawn as soon as proper wire backup and invoices are documented and reviewed.
- **MHANY Hopkinson Cluster:** Using \$1.6 million in NSP2 funds, Mutual Housing Association of New York Management Inc. will construct 26 units of rental housing across 7 buildings in Brooklyn for tenants earning between 40% and 70% of AMI. The development had a loan closing in June of 2012, and construction is beginning in early July. It is expected that the bulk of the NSP2 funds will be expended in Q3 2012, with the remaining expenditures occurring shortly thereafter. Construction will be complete closer to the end of 2013, although all NSP2 funds will have been expended prior to the NSP2 100% expenditure deadline in February 2012.
- **Housing Works:** The non-profit group Housing Works is using NSP2 funds to develop twelve (12) units of supportive housing at 874 Jefferson Avenue in Brooklyn. The entire project will be affordable to residents earning less than 50% of AMI. This project closed on NSP2 financing in July of 2011. The project is already under construction. About 50% of the \$253k in NSP2 funds that have been obligated to this development has been expended and drawn down via DRGR in Q4 2011. The remaining funds will be drawn down once the building receives a temporary certificate of occupancy, which will correlate with the building achieving a certain level of construction completeness.
- **Noel Pointer Apartments:** Bridge Street Development Corporation successfully closed on all financing in the 3rd quarter of 2011 for this new construction project on vacant land. As of the end of Q2, 2012, nearly all NSP2 funding has been expended and drawn via DRGR. When it is completed, the formerly vacant site will contain 23 NSP2 assisted units. We expect construction completion to occur close to the end of 2012.
- **New York Mortgage Coalition Homebuyer Assistance Program:** The New York Mortgage Coalition, as a subrecipient, will implement a \$4.2 million homebuyer assistance program. The NYMC works with a group of neighborhood non-profit organizations including NHS, the Pratt Area Community Council, the Cypress Hills LDC, and the Northfield Community LDC of Staten Island. These neighborhood based non-profit partners have been providing homeownership counseling and have been assisting potential buyers with the home-buying process. It is expected that some buyers will select to take out 203K mortgages which will permit them to borrow funds for necessary repairs to ensure that the homes are safe and habitable. It is estimated that the program will help roughly 45 individuals and families purchase vacant or foreclosed homes in the New York City neighborhoods most impacted by the foreclosure crisis. HPD and the NYMC executed the subrecipient agreement in the 3rd quarter of 2011 and NYMC has been developing a robust homebuyer pipeline. As of the end of the 2nd quarter, 2012, several homebuyers were scheduling closings to occur in July.
- **Dean Atlantic:** NSP2 provided funding for the acquisition of four buildings totaling seven units of foreclosed multifamily in neighboring census tracts. All NSP2 funds were expended at the closing which occurred in Q1 2012. Four of the seven buildings that are part of this development are located in NSP2 eligible census tracts and these NSP2 buildings contain seven units.
- **Berean Apartments HDFC:** HPD provided \$1.35mm of NSP2 funds to this new construction development in the Bedford-Stuyvesant/Weeksville area of Brooklyn, leveraging other sources of funding, including tax credit equity. The NSP2 funds were used for acquisition and closing costs for what will be a 106 unit affordable rental building (not counting the one superintendent's unit). This construction closing occurred in Q1 2012, and the bulk of the

NSP2 funds were expended and drawn in Q1. We plan to draw the remaining funds as invoices are received.

- Truxton St: HPD provided \$1.52mm of NSP2 funds to a new construction affordable rental development that will also offer supportive services to tenants. The building will have 48 units when completed, and a sub-set will be deemed to have been assisted by NSP2 funds. Some of the NSP2 funds were expended at the closing, which occurred in late June. The remaining will be expended as construction costs are reimbursed over time. We expect that most or all of the NSP2 funds will be expended and drawn before the end of the 3rd quarter, 2012.

Project Summary

Match Contributed	\$0.00	\$0.00

Activity Description:

The New York Mortgage Coalition (NYMC), as a subrecipient, will implement a \$3,929,540 million homebuyer assistance program which will be used to write down individual homebuyers' mortgage costs. Assistance per NSP2-eligible house will range between \$50,000 and \$80,000. The NYMC will oversee a group of neighborhood non-profit organizations including NHS, the Pratt Area Community Council, the Cypress Hills LDC, and the Northfield Community LDC of Staten Island. These neighborhood- based, non-profit partners will provide homeownership counseling and assist potential buyers with all steps of the home-buying process. It is estimated that the program will help roughly 45 individuals and families purchasing vacant or foreclosed homes in the New York City neighborhoods most impacted by the foreclosure crisis.

Under the terms of the subrecipient agreement between NYMC and HPD, 2 NYMC employees who are working exclusively on the housing program funded by the NSP2 grant will be paid by HPD's NSP2 admin funds. This is reflected in more detail in the NSP2 action plan under the admin line (project #5). The program funds and administration funds dedicated to NYMC staff equate to \$4.2mm, which was the amount indicated in the action plan used for most of 2011. Changes made in the action plan in December 2011 split the \$4.2mm into program funds listed here and the separate administration funds.

Location Description:

NSP2 funds will be used in the 96 census tracts in New York City most severely impacted by foreclosures.

Activity Progress Narrative:

We continue to see the pipeline for qualified homebuyers grow. We have expended programmatic funds of around \$37,950 to support marketing and other program execution costs through the end of Q2 2012. There have not been any home purchase

closings through that point although several are anticipated in July 2012. Home purchase loan closings are budgeted as the majority of the \$3.9mm available in this activity. As closings accelerate, the expenditures under this activity will grow commensurately. We are expecting 45 closings from now through the end of the grant period. We have spoken with the New York Regional HUD office as we are unable to enter the expenditure information into the QPR fields. The information listed above is proved in this comment section in lieu of entering it in to the QPR fields.

Match Contributed	\$0.00	\$0.00

Activity Description:

HPD will lend \$1.61mm in NSP2 funds to Mutual Housing Association of New York Management Inc. (MHANY) for the construction of 26 rental units. The project will be rental housing for tenants earning between 40% and 80% of AMI. 5 of these units will be NSP2 units for residents earning less than 50AMI, supported by \$1,076,000 of the \$1.61mm in NSP2 funds going to this development (detailed in this activity). The remainder of the \$1.61mm from NSP2 (\$534,814.00) is detailed in activity 02b in this action plan and will support 21 LMMI units.

These seven buildings were originally intended to be developed as homeownership units, but the market downturn made this impossible. NSP 2 funds are enabling the construction of new housing that would not have been possible otherwise. Each building will contain between 3 and 4 units, keeping with the scale of the surrounding buildings in these neighborhoods.

Location Description:

This project is new construction of seven new buildings on vacant lots in the Brownsville and Ocean Hill neighborhoods of Brooklyn.

The Addresses and BBLs are as follows:

Block/Lot 1520/41 Address: 106 Hopkinson Avenue

Block/Lot 1520/69 Address: 237 Sumpter Street

Block/Lot 1533/35 Address: 220 McDougal Street

Block/Lot 1537/1 Address: 2019 Fulton Street

Block/Lot 1647/19 Address: 728 Madison Street

Block/Lot 1708/37 Address: 766 Herkimer Street

Block/Lot 4234/23 Address: 516 Crescent Street

Activity Progress Narrative:

MHANY Hopkinson closed on funding at the end of the 2nd quarter, 2012. Some NSP2 funds were expended at closing, roughly \$200,000, and these were recorded in this activity. Please note that activity 02b is also related to this development, but accounts for the LMML portion of the funding. For ease of calculation, as future funds are expended in support of this development, all will be applied to 02a, and following all funds in activity 02a being expended, future expenditures will be attributed to activity 02b. Future expenditures will be incurred as construction on this development continues. It is anticipated that most of the NSP2 expenditure (across both activities) will be incurred in Q3 2012.

Activity Description:

This is the activity related to the portion of the \$1.61mm of NSP2 funds going into this scatter site development. \$534,814.00 is used in this activity to support 21 LMMI units across the seven buildings. \$1,076,000 has been set aside for 5 LH25 units, and has been detailed in activity 02a.

Location Description:

Same as for activity 02a - various locations in Ocean Hill and Brownsville neighborhoods of Brooklyn

Activity Progress Narrative:

MHANY Hopkinson had a loan closing in June 2012. Some funds were expended at closing and these were attributed to activity 02a, which also relates to the MHANY Hopkinson development. Once all funds in that activity have been expended, expenditures will be attributed to this activity.

Activity Description:

The Noel Pointer Apartment project is being developed by Bridge Street Development Corporation, a Brooklyn based non-profit. HPD has lent Bridge Street \$2.599 million in NSP2 funds to close on financing for a new construction project on vacant land. This land is being developed as a 23 unit low-income rental project. NSP funds support nine of these units for residents earning less than 50% of AMI. The non-profit developer has assembled other sources of financing to complete this project including federal Low Income Housing Tax Credits.

Location Description:

This development is in the Bedford Stuyvesant neighborhood in central Brooklyn. The specific census tract has an NSP3 need score of 18, above the need score threshold of 16 for New York State. The estimated mortgage delinquency rate for this site is 14.3%.

The address is 790 Lafayette Avenue, 11221 Brooklyn, NY.

Activity Progress Narrative:

We continue to process expenditure backup and drawdown funds as this backup is reviewed. Through the end of 2nd quarter, 2012, nearly all of the NSP2 funds dedicated to this new construction development have been expended, with the remaining amount to be deemed expended when proper backup is received. Construction on the building continues after all NSP2 funds have been expended, and it is expected that construction will be complete by the end of calendar year 2012.

Match Contributed	\$0.00	\$0.00

Activity Description:

Berean Apartments will build a new multi-family apartment building on a vacant lot in a neighborhood which has been hit hard by the foreclosure crisis. The building will create 106 new affordable units, three of which are supported by this activity. These units will be affordable to families with incomes no greater than 50% of AMI. NSP2 funds are a small part of this project, which is also receiving tax credit equity. In total the \$1.35mm funded by NSP2 between this activity and the Berean LMMI activity comprises just over 4% of the ~\$33mm development cost.

Location Description:

This development will occur in a vacant lot in census tract 307 in Brooklyn (Kings County) New York. This census tract was added as part of a geography amendment approved by HUD in November 2011. It is adjacent to existing eligible census tracts and with a foreclosure score of 19, this census tract has a foreclosure risk score that is above the average foreclosure risk score for the other eligible census tracts in NYC. The building will be built at 110 Rochester Avenue, Brooklyn.

Activity Progress Narrative:

Berean Apartments closed in Q1 2012 and most of the NSP2 funds have been expended. This development is comprised of 2 DRGR activities. This one (02d) relates to the funds that are deemed to be in support of units affordable at 50% AMI levels. There is also activity 02e which relates to funds in support of units affordable at up to 120% AMI levels. All funds related to this activity have been expended and were reported in Q1 2012's QPR. Construction is not scheduled to be completed until 2013, so no actual accomplishments or beneficiaries are relevant at this point.

Activity Description:

Berean Apartments will build a new multi-family apartment building on a vacant lot in a neighborhood which has been hit hard by the foreclosure crisis. The building will create 106 new affordable units, 81 of which are supported by this activity, and will be affordable to families with incomes no greater than 80% of AMI. NSP2 funds are a small part of this project, which is also receiving tax credit equity. In total the \$1.35mm contributed by NSP2 across the LH25 and LMMI activities comprises just over 4% of the ~\$33mm development cost.

Location Description:

This development will occur in a vacant lot in census tract 307 in Brooklyn (Kings County) New York. This census tract was added as part of a geography amendment approved by HUD in November 2011. It is adjacent to existing eligible census tracts and with a foreclosure score of 19, this census tract has a foreclosure risk score that is above the average foreclosure risk score for the other eligible census tracts in NYC.

The building will be built at 110 Rochester Avenue, Brooklyn.

Activity Progress Narrative:

Construction on this new construction development continues. HPD is working to assemble and review all relevant documentation and expenditure reporting and DRGR drawdowns will occur as those processes are completed. Building completion is expected to occur in 2013 and actual accomplishments will be reported at that time.

Activity Description:

The 21 Truxton Street project involves the new construction of a five-story residential building, on City-owned land, located in the Ocean Hill section of Brooklyn. The site will be transferred to the non-profit developer, Services for the Underserved (SUS) at closing.

The 48 units to be developed will be used to provide permanent housing for low-income persons. Thirty-nine of the units will be set-aside for homeless, single adults who meet the NY/NY III criteria of being disabled due to severe mental illness. The remaining nine units will be rented to low income persons from the community. The six units that will be supported by NSP2 funds will be part of these nine units.

21 Truxton Street will provide its residents with safe, affordable housing and on-site supportive services. Case management services, counseling and recreational activities will provide residents with the social and economic stability that they need in order to successfully manage their lives and maintain their apartments.

Location Description:

21 Truxton St, Brooklyn New York.

This address is in the Ocean Hill section of Brooklyn. It is a neighborhood with a high degree of foreclosure activity, with the specific census tract where the development will be built (Brooklyn, Census tract 369.00) having a foreclosure risk score of 20. The development is located less than a quarter-mile from 2 NYC Subway stops which access 3 major subway lines.

Activity Progress Narrative:

Truxton Apartments, a new construction development on a vacant lot in the Ocean Hill neighborhood of Brooklyn, had its construction closing in June of 2012. Some of the NSP2 funds were expended at closing and these are reported in this QPR. Additional funds will be expended as additional backup documentation showing the expenditure is received and reviewed by HPD staff. It is expected that construction will be completed in 2013 and actual accomplishments will be reported at that time.

Activity Description:

HPD will lend the non-profit group Housing Works funds to develop twelve units of supportive housing at 874 Jefferson Avenue. The entire 12 unit project will be affordable to residents earning less than 50% of AMI. This project has closed on all financing, is under construction and is scheduled to be complete by Q1 2012. Other financing sources include HUD's Supportive Housing Program and New York State Homeless Housing Assistance Program.

Location Description:

874 Jefferson Avenue in the Bedford-Stuyvesant neighborhood of Brooklyn. This neighborhood has a high proportion of the city's NSP2 eligible census tracts reflecting the concentration of high foreclosure and vacancy rates. This project is putting one of the vacant buildings back to use.

Activity Progress Narrative:

Construction work continues. Remaining NSP2 funds allocated to this development will be executed when the development receives a Temporary Certificate of Occupancy, which will presage the conversion to an inhabitable development.

Activity Description:

HPD has lent NSP2 funds to Dean Atlantic Housing Development Fund Corporation to acquire four foreclosed buildings which are being operated as one rental project. Three of the buildings contain two units each and the fourth building has one unit. These buildings were originally developed as homeownership projects, but the developer went into foreclosure due to the market downturn. NSP2 funds are being used to ensure that the property is financially sound and can be operated as a scattered-site rental project in East New York, an area particularly hard hit by foreclosures and vacancy. All units serve residents with incomes at or below 50AMI.

Location Description:

2447 Dean Street, 2449 Dean Street, 1723 East New York Avenue, and 419 Saratoga Avenue in the East New York section of Brooklyn.

Activity Progress Narrative:

Work has been completed for this development. We are still unable to record demographic data in the QPR. In lieu of this, the following demographic data applies to this activity.

7 units in 4 buildings.

6 units headed by an African American/Black/Non-Hispanic head of household

1 unit headed by a White/Hispanic head of household

4 of the units are headed by a female head of household

All 7 units are inhabited by households with incomes at or below 50% AMI.

Activity Description:

HPD lent \$6.5 million in NSP 2 funds to an entity created by Omni New York, LLC to acquire a foreclosed multi-building multifamily development called the DCA Central Brooklyn Mitchell Lama. Mitchell Lama refers to a housing finance program under which this complex was originally developed. The prior owner was in foreclosure and Omni leveraged NSP funds to purchase this property and to operate it as an affordable rental development. NSP2 funds support 128 units across 16 buildings.

Location Description:

The following 16 addresses on 8 lots (9 buildings on 1 lot, and 7 buildings, one on each of the other 7 lots) in the Bedford Stuyvesant section of Brooklyn:
 473 Howard Avenue, 477 Howard Avenue, 481 Howard Avenue, 485 Howard Avenue, 1756 Park Place, 1760 Park Place, 1764 Park Place, 1785 Sterling Place, 1791 Sterling Place, 894 Hancock Street, 671 Macdonough Street, 350 Chauncey Street, 217 Howard Avenue, 392 Marion Street, 62 Macdougall Street, and 539 Macon Street.

Activity Progress Narrative:

Rehabilitation work continues. HPD is collecting the final bits of documentation and expects to drawdown all remaining NSP2 funds associated with this development in Q3 2012. Expenditure in QPR will occur in that quarter as well.

Activity Description:

This activity reflects administrative costs associated with the implementation of HPD's NSP2 programs. Administrative funds under this activity pay for HPD staff members working on NSP-funded projects. As of June 2011, there has been one staff person, the program director, who is paid from NSP2 funds. Previously there had been 2 other staff members who had been paid from NSP2 funds but they have since been moved to other funding sources. A small amount of the administrative funds in this activity will be used to cover costs related to attending NSP conferences and trainings. HPD staff that is funded with NSP2 administrative funds work on the following tasks: develop the pipeline of projects by verifying NSP eligibility; ensure compliance will federal requirements such as environmental review and tenant notification in occupied projects; oversee projects through finance closings and oversee the disbursement of NSP funds; and complete federal reporting requirements.

Location Description:

The 96 census tracts most severely affected by foreclosures.

Activity Progress Narrative:

We have assembled backup documentation supporting expenditures on NSP2 related administration through the end of June, 2012 and this number, (\$337,737.22) is included in this QPR. There is currently 1 HPD employee who is supported by this activity. There is another activity that is funded by the Administration portion of HPD's NSP2 grant. This is activity 05b and relates to administration costs incurred by the Subrecipient in pursuit of their program's implementation. Collectively these two activities (05a and 05b) represent \$800,000 or just less than 4% of HPD's total NSP2 grant amount.

Activity Description:

A portion of HPD's administration budget will be used to fund the salary of a full-time NSP Project Director and a part-time NSP Project Manager at the New York Mortgage Coalition. The New York Mortgage Coalition is a subrecipient coordinating the Homebuyer Assistance Program referenced in Project #1, Activity #1 in this action plan. The efforts of the NSP Project Director and NSP Project Manager are fully focused on implementing the NSP2 Homebuyer Assistance Program.

Location Description:

The efforts of the staff funded by this activity focus on a home buyer assistance program. This program targets all of the 96 NSP2 Eligible NYC Census Tracts.

Activity Progress Narrative:

We continue to process and reimburse expenditure backup for the 1 full time and 1 part time staff persons employed by the New York Mortgage Coalition who are focused on implementing the NSP2 funded Homebuyer Assistance Program.
