FACT SHEET AND APPLICATION PROCESS – TENANT INTERIM LEASE (“TIL”) AND ALTERNATIVE ENFORCEMENT PROGRAM (“AEP”) PREQUALIFIED VENDOR LISTS (TIL/AEP PQLs)

INTRODUCTION

The City of New York Department of Housing Preservation and Development (“HPD”) is the agency responsible for most housing and urban renewal matters, including without limitation, the management, disposition and development of City-owned urban renewal and/or residential properties and the enforcement of compliance with State of New York (“State”) and City laws, rules and regulations governing residential dwellings in New York City. HPD is responsible for the management of buildings taken In-Rem, for Urban Renewal, or through Condemnation and leases buildings to alternative managers who are then responsible for the management of the buildings. Under HPD’s Tenant Interim Lease (“TIL”) Program, the buildings are leased to tenants’ associations, which manage the buildings. HPD eventually sells the buildings to the tenants as Housing Development Fund Corporation (“HDFC”) Co-operatives. HPD’s Alternative Enforcement Program (“AEP”), created through Local Law 29 of 2007 and amended by Local Law 7 of 2011, is an enforcement program that enables HPD to identify the most distressed multiple dwellings and ensure that violations and their underlying conditions are corrected. Each year, HPD designates 250 different multiple dwellings for participation in the AEP. If the owner fails to comply with the terms of the Law, HPD may hire a contractor to make the necessary repairs.

HPD has created the Tenant Interim Lease/Alternative Enforcement Program Prequalified Vendor Lists (“TIL/AEP PQLs”), formerly known as the TIL PQL, to conduct work in **General Construction (work does not include Wicks Law licensed trades)**, exclusively for the TIL and AEP Programs. By establishing contractors’ qualifications and experience in advance, HPD has developed a pool of competent contractors for the TIL/AEP PQLs from which it can draw, to promptly and effectively make needed repairs in buildings directly administered by the TIL and AEP Programs. HPD selects contractors from the list for repair and emergency work of up to **\$100,000 per work order**.

HPD separately maintains lists of Prequalified Contractors who perform work in various trades under its Emergency Repair Program (“ERP”). While the work performed by vendors in the trades associated with the ERP PQLs may be very similar or the same as work performed by TIL/AEP PQL Contractors (“TIL/AEP PQL Contractors”), the ERP PQLs are separate and distinct from the TIL/AEP PQLs for General Construction. Vendors who are currently on the ERP PQLs and who meet the criteria indicated herein are strongly encouraged to apply for inclusion on the TIL/AEP PQLs for General Construction. Vendors are also advised that solicitations for work under the TIL and AEP Programs will be issued as separate and distinct work orders from ERP and will be clearly identified as TIL or AEP work.

In the event that HPD does not receive any responses to any solicitation issued to the TIL/AEP PQLs for General Construction, HPD reserves the right to reissue the solicitation to vendors who are currently on the ERP Prequalified Lists to ensure that the necessary or required work is completed on buildings in the TIL and/or AEP Programs. In the event that there is a paucity of vendors or continuous lack of responses by vendors within the TIL/AEP PQLs for General Construction, HPD reserves the right to, on notice, terminate the individual TIL/AEP PQL lists and in such event issue solicitations for work under the TIL and/or AEP Programs to vendors who are currently on the ERP PQL Lists.

The vendors selected for inclusion in the TIL/AEP PQLs for General Construction will be invited to participate in the New York City Department of Small Business Services’ (SBS) Construction Mentorship Program. The Construction Mentorship Program focuses on increasing the use of small NYC contractors by making them more competitive in their pursuit of NYC contracts, and winning larger contracts with larger values. Firms participating in the Construction Mentorship Program will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

APPLICATION PROCESS

HPD will consider only those applications for the TIL/AEP Pre-qualified Lists **that meet any one** of the following criteria*:

- 1. The submitting entity must be a Minority and Women-owned Business Enterprise (“New York City-certified M/WBE”) certified by the New York City Department of Small Business Services (SBS).**
- 2. The submitting entity must have entered into a qualified joint venture agreement between one or more New York City-certified M/WBEs, in which that firm(s) is entitled or exposed to at least 25% of the total profit or loss.**
- 3. The submitting entity must agree to subcontract no less than 50% of any awarded job to a New York City-certified M/WBE for each and every work order awarded.**

***Firms that are in the process of becoming a New York City-certified M/WBE may submit a PQL application and submit an M/WBE Acknowledgement Letter, which states that SBS has begun the Certification process.**

Vendors who are currently approved on HPD’s Prequalified Vendor Lists for work in HPD’s Emergency Repair Program (“ERP”) and who meet any of the criteria above may also apply for inclusion on the TIL/AEP Prequalified Vendor lists by completing the Abbreviated Application Form (**FORM 1**) attached.

For vendors who are not currently on HPD’s ERP PQL, you are required to complete the following steps and submit the documents below for review and evaluation, to:

Dear Vendor:

We are distributing the enclosed information regarding the Iran Divestment Act of 2012 to all applicants to HPD's Prequalified List of vendors. This Act prohibits municipalities, including the City of New York, from doing business with persons engaged in investment activities in the energy sector of Iran. See descriptions (a) and (b) on the following page to determine if you or your company are engaged in such activities as defined by the Act.

Read the attached documents carefully. Pursuant to General Municipal Law §103-g, please sign before a notary the **Bidder's Certification Of Compliance with Iran Divestment Act**, checking one of the two boxes, as applicable, to indicate whether or not you appear on the list of entities engaged in investment activities in Iran created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. If you are unable to certify that you are not on the list, you must attach a signed, notarized statement detailing why you cannot do so.

An owner or officer of the company must sign before a notary the **Bidder's Certification of Compliance with Iran Divestment Act**, with the appropriate box checked, and return the original to:

NYC HPD
100 Gold Street
Contractor Compliance Unit, Room 6J
New York, NY 10038

Completion of this document is required in order to be qualified for the vendor list.

Sincerely,

Barbara Schechter
Director, Contractor Compliance

**IRAN DIVESTMENT ACT COMPLIANCE RIDER FOR
NEW YORK CITY CONTRACTORS**

The Iran Divestment Act of 2012, effective as of April 12, 2012, is codified at State Finance Law ("SFL") §165-a and General Municipal Law ("GML") §103-g. The Iran Divestment Act, with certain exceptions, prohibits municipalities, including the City, from entering into contracts with persons engaged in investment activities in the energy sector of Iran. Pursuant to the terms set forth in SFL §165-a and GML §103-g, a person engages in investment activities in the energy sector of Iran if:

(a) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or

(b) The person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to paragraph (b) of subdivision three of Section 165-a of the State Finance Law and maintained by the Commissioner of the Office of General Services.

A bid or proposal shall not be considered for award nor shall any award be made where the bidder or proposer fails to submit a signed and verified bidder's certification.

Each bidder or proposer must certify that it is not on the list of entities engaged in investment activities in Iran created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. In any case where the bidder or proposer cannot certify that they are not on such list, the bidder or proposer shall so state and shall furnish with the bid or proposal a signed statement which sets forth in detail the reasons why such statement cannot be made. The City of New York may award a bid to a bidder who cannot make the certification on a case by case basis if:

(1) The investment activities in Iran were made before the effective date of this section (i.e., April 12, 2012), the investment activities in Iran have not been expanded or renewed after the effective date of this section and the person has adopted, publicized and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or

(2) The City makes a determination that the goods or services are necessary for the City to perform its functions and that, absent such an exemption, the City would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.

**BIDDER'S CERTIFICATION OF COMPLIANCE WITH
IRAN DIVESTMENT ACT**

Pursuant to General Municipal Law §103-g, which generally prohibits the City from entering into contracts with persons engaged in investment activities in the energy sector of Iran, the bidder/proposer submits the following certification:

[Please Check One]

BIDDER'S CERTIFICATION

By submission of this bid or proposal, each bidder/proposer and each person signing on behalf of any bidder/proposer certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief, that each bidder/proposer is not on the list created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law.

I am unable to certify that my name and the name of the bidder/proposer does not appear on the list created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. I have attached a signed statement setting forth in detail why I cannot so certify.

DOING BUSINESS ACCOUNTABILITY PROJECT
QUESTIONS AND ANSWERS ABOUT THE DOING BUSINESS DATA FORM

What is the purpose of this *Data Form*?

To collect accurate, up-to-date identification information about organizations that have business dealings with the City of New York in order to comply with Local Law 34 of 2007 (LL 34), a campaign finance reform law. LL 34 limits municipal campaign contributions from principal officers, owners and senior managers of entities doing business with the City and mandates the creation of a *Doing Business Database* to allow the City to enforce the law. The information requested in this *Data Form* must be provided, regardless of whether the organization or the people associated with it make or intend to make campaign contributions. No sensitive personal information collected will be disclosed to the public.

Why have I received this *Data Form*?

The contract, franchise, concession, grant or economic development agreement you are proposing on, applying for or have already been awarded is considered a business dealing with the City under LL 34. No proposal or application will be considered and no award will be made unless this *Data Form* is completed. Most transactions valued at more than \$5,000 are considered business dealings and require completion of the *Data Form*. Exceptions include transactions awarded on an emergency basis or by "conventional" competitive sealed bid (i.e. bids that do not use a prequalified list or "Best Value" selection criteria.) Other types of transactions that are considered business dealings include real property and land use actions with the City.

What individuals will be included in the *Doing Business Database*?

The principal officers, owners and certain senior managers of organizations listed in the *Doing Business Database* are themselves considered to be doing business with the City and will also be included in the *Database*.

- **Principal Officers** are the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Chief Operating Officer (COO), or their functional equivalents. See the *Data Form* for examples of titles that apply.
- **Principal Owners** are individuals who own or control 10% or more of the organization. This includes stockholders, partners and anyone else with an ownership or controlling interest in the entity.
- **Senior Managers** include anyone who, either by job title or actual duties, has substantial discretion and high-level oversight regarding the solicitation, letting or administration of any contract, concession, franchise, grant or economic development agreement with the City. At least one Senior Manager must be listed or the *Data Form* will be considered incomplete.

I have already completed a *Doing Business Data Form*; do I have to submit another one?

Yes. An organization is required to submit a *Doing Business Data Form* each time it enters into a transaction considered a business dealing with the City, including contract, concession and franchise proposals. However, the *Data Form* has both a Change option, which requires only information that has changed since the last *Data Form* was filed, and a No Change option. No organization should have to fill out the entire *Data Form* more than once.

If you have already submitted a *Data Form* for one transaction type (such as a contract), and this is the first time you are completing a *Data Form* for a different transaction type (such as a grant), please select the Change option and complete Section 4 (Senior Managers) for the new transaction type.

Will the personal information on this *Data Form* be available to the public?

No. The names and titles of the officers, owners and senior managers reported on the *Data Form* will be made available to the public, as will information about the organization itself. However, personal identifying information, such as home address, home phone and date of birth, will not be disclosed to the public, and home address and phone number information will not be used for communication purposes.

I provided some of this information on the VENDEX Questionnaire; do I have to provide it again?

Yes. Although the *Doing Business Data Form* and the VENDEX Questionnaire request some of the same information, they serve entirely different purposes. In addition, the *Data Form* requests information concerning senior managers, which is not part of the VENDEX Questionnaire.

What organizations will be included in the *Doing Business Database*?

Organizations that hold \$100,000 or more in grants, contracts for goods or services, franchises or concessions (\$500,000 for construction contracts), or that hold any economic development agreement or pension fund investment contract, are considered to be doing business with the City for the purposes of LL 34. Because all of the business that an organization does or proposes to do with the City will be added together, the *Data Form* must be completed for all transactions valued at more than \$5,000 even if the organization doesn't currently do enough business with the City to be listed in the *Database*.

No one in my organization plans to contribute to a candidate; do I have to fill out this *Data Form*?

Yes. All organizations are required to return this *Data Form* with complete and accurate information, regardless of the history or intention of the entity or its officers, owners or senior managers to make campaign contributions. The *Doing Business Database* must be complete so that the Campaign Finance Board can verify whether future contributions are in compliance with the law.

My organization is proposing on a contract with another firm as a Joint Venture that does not exist yet; how should the *Data Form* be completed?

A joint venture that does not yet exist must submit a *Data Form* for each of its component firms. If the joint venture receives the award, it must then complete a form in the name of the joint venture.

How long will an organization and its officers, owners and senior managers remain listed on the *Doing Business Database*?

- **Contract, Concession and Economic Development Agreement holders:** generally for the term of the transaction, plus one year.
 - **Franchise and Grant holders:** from the commencement or renewal of the transaction, plus one year.
 - **Pension investment contracts:** from the time of presentation on an investment opportunity or the submission of a proposal, whichever is earlier, until the end of the contract, plus one year.
 - **Line item and discretionary appropriations:** from the date of budget adoption until the end of the contract, plus one year.
 - **Contract proposers:** for one year from the proposal date or date of public advertisement of the solicitation, whichever is later.
 - **Franchise and Concession proposers:** for one year from the proposal submission date.
- For information on other transaction types, contact the Doing Business Accountability Project.

How does a person remove him/herself from the *Doing Business Database*?

When an organization stops doing business with the City, the people associated with it are removed from the *Database* automatically. However, any person who believes that s/he should not be listed may apply for removal. Reasons that a person would be removed include his/her no longer being the principal officer, owner or senior manager of the organization. Organizations may also update their database information by submitting an update form. Removal Request and Update forms are available online at www.nyc.gov/mocs (once there, click MOCS Programs) or by calling 212-788-8104.

What are the new campaign contribution limits for people doing business with the City?

Contributions to City Council candidates are limited to \$250 per election cycle; \$320 to Borough President candidates; and \$400 to candidates for citywide office. Please contact the NYC Campaign Finance Board for more information at www.nyccfb.info, or 212-306-7100.

The *Data Form* is to be returned to the City office that issued it.

If you have any questions about the *Data Form* please contact the Doing Business Accountability Project at 212-788-8104 or DoingBusiness@cityhall.nyc.gov.
