

BEDBUG ANNUAL FILING

DEPARTMENT OF HOUSING PRESERVATION AND DEVELOPMENT

INSTRUCTIONS

Local Law 69 of 2017 requires that the owner of a multiple dwelling(s) annually request information from building occupants about bedbug infestations, and, based on that information and the owner's activities during the year, file a Bedbug Annual Report with the New York City Department of Housing Preservation and Development (HPD). The filing requires information about bedbug infestations, and, if applicable, number of eradications of bedbugs in the multiple dwelling. This form can be submitted to fulfill the requirement Bedbug Annual Report. After filing the report, HPD will send back a receipt. The owner is required to provide the filing to the tenant, either by posting the report or distributing it to tenants as outlined in the Local Law. Please note that the property owner is also required to either distribute or post a copy of DOHMH'S Bedbug Information Notice in a prominent public location in the building. This notice provides information about the prevention, detection and removal of bedbug infestation.

The reporting period to be covered in the Bedbug Annual Report is November of the previous year through October of the current year. Property owners will be required to file a Bedbug Annual Report between December 1 and December 31. Once December 31 passes, HPD may issue a violation for failure to file.

The property must be registered with HPD for HPD to accept this report. Property owners can register by visiting the Property Registration Online System (PROS) at <https://a806-pros.nyc.gov/PROS/mdRInternet.html> or calling 212-863-7000 for assistance.

Property owners must file a Bedbug Annual Report even if the building is bedbug free. **ALL REQUESTED INFORMATION MUST BE PROVIDED OR THIS FORM WILL BE REJECTED.**

Mail Completed Form to: NYC Department of Housing Preservation & Development
Division of Code Enforcement
100 Gold Street, 6-01
